Committee on Irrigation.

President Hofer appointed the following committee to investigate and report upon the subject of irrigation in Western Oregon:

RESOLUTIONS OF THE LEAGUE

Adopted at Yesterday's Session at Eugene.

EUGENE, Or., Sept. 30.—(Special.)—The following resolutions were adopted today by the Willamette Valley Development League:

Resolved, That the convention endorse all efforts leading to the construction of railroads from the Willamette Valley into the great interior of our state and from this valley to the harbors on the Western Coast.

Resolved, That we believe there is sufficient population and business along the line of the West Side railroad to warrant operating a daily local passenger train each way between Westport and Sprague, and between Corvallis and Junction City or Eugene.

Resolved, That we heartily sustain the initiative by the last Legislature of the undertaking to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That in view of the increase in population of the country tributary to and served by Coos Bay, the Willamette Valley Development League would most earnestly urge the Federal Government our convictions that this harbor should be improved by dredging the inner harbor channels and extending and deepening the main entrance to the bay.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Resolved, That we urge upon the Federal Government to construct a model state highway from Portland through Western Oregon south to the California line, with convict labor and the employment of such other labor as may be needed and the co-operation of the state and county authorities, and we pledge the commission appointed by Governor Chamberlain our heartiest support.

Tired All Day, Every Day.

Thousands of Women Write Dr. Hartman to Complain That They Never Feel Wholly Rested, That They Are Always Tired.

MRS. T. TRENER.

PELVIC CATARRH CAUSES MANY AILMENTS.

There are so many women who are tired all the time. They get up in the morning tired and drag themselves around wearily all day.

"I suffered five years with my spine and pains in my back."

"I consulted you, fortunately, and in 14 weeks was cured by the use of Peruna and following your advice."

"I can now do my own work. I cannot thank you enough. I cannot tell you how happy I am. No family should be without Peruna."

Suffered Years With Pains. Mrs. Ida Germain, 531 Manhattan Ave., New York City, writes:

"For many years I suffered with pain in the pelvic organs. I was unable to find relief, as no doctor could help me."

"I read of your wonderful Peruna and decided to give it a trial. I took it for some time and obtained much relief."

Strong Again. "Now I am strong again and have a good appetite. Peruna has relieved me of a chronic ailment, and I therefore recommend it to all women."

Always Tired and Weak. Mrs. E. A. Connolly, 327 Garner St., Kansas City, Mo., writes:

"I have suffered for years with stomach trouble, so that I could eat hardly anything. I was tired and weak all the time."

done on her. What this work would be, he could not state, as the request for repairs from the Marblehead officers had not been ordered by the sanction of the Navy Department.

Commander Kossuth Niles, of the U. S. Boston, who was present at the interview, joined with Admiral McCalla in saying that the Marblehead would relieve the former vessel at Panama in a couple of months, instead of going to Australia, as had been currently reported would be the case.

Boilers Need Overhauling. While this is the state of affairs as told by many officials at the navy-yard, another and very different story comes from the ship itself. From the latter source it is learned that a general overhauling of her boilers is desired.

Thorough Test Desired. It is desired that the boilers of the Marblehead be subjected to the drilling test to determine the exact thickness of her furnace and that a tube be drawn here and there to ascertain the condition. A general survey of the boilers has been ordered for next Tuesday and, if their condition is found anywhere near as bad as is said it will mean many weeks' work to put them into shape.

MISS ROOSEVELT TO MARRY

Engagement to Representative Longworth Believed at Washington.

WASHINGTON, Sept. 30.—Members of the Taft party returning from the Orient say the romance in which Miss Alice Roosevelt and Representative Nicholas Longworth, of Ohio, are the principal figures seems likely to find a natural ending.

Wanted for "Suitcase" Crime. BOSTON, Sept. 30.—The police are searching for a South End druggist, in connection with the "Winthrop suitcase" tragedy.

What Sulphur Does For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every Spring.

It was the universal Spring and Fall "blood purifier," tonic and cure-all, and mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from calcium (calcium sulphide) and sold in drugstores under the name of Stuart's Calcium Wafers.

It is plain some anxiety regarding the boilers is felt aboard the ship, but how much of this is due to actual cracks and how much to the unevenness which is felt aboard many vessels as a result of the explosion on the Bennington cannot be determined until the surveys are held on Tuesday next.

Our grandmothers knew this when they doled us with sulphur and molasses every Spring and Fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles, and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins, while experimenting with sulphur remedies, soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafers is a proprietary article, and sold by druggists, and for that reason is sood by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles, and especially in all forms of skin disease, as this remedy."

At any rate, people who are tired of pills, cathartics and so-called blood "purifiers" will find in Stuart's Calcium Wafers a far safer, more palatable and effective preparation.
