Mission Dining-Room

Weathered Oak is the wood used. And Gadsby has complete sets, consisting of Extension Tables, Chairs with rush or Spanish leather seats, Sideboards, China Cabinets, Serving Tables, Morris Chairs, Library Tables and Book Cases. Besides the library, hall and dining-room, this type of furniture is admirably adapted to the Summer home. You could leave it there season after season because it requires so little care owing to its plainness. The designs are copies of the handwork of the old Jesuit fathers, with a little softening of the lines and a touch of comfort which would have delighted those old craftsmen. You will find Gadsby's entire exhibit a most interesting one, and Gadsby's price on this Mission Furniture is extremely low, and therefore within the reach of everyone.
