Meyer asserts her husband was first entangled in the rope and placed so that the horse would kick him to death.

BURNS MAKES ADMISSIONS

Surrenders to Doyle Portland Mine Stock He Denied Having.

COUNCIL BLUFFS, Ia., Oct. 7.—An unexpected surprise has occurred in the famous Portland mining suit for the recovery of \$1,000,000, now pending on a motion for a new trial, through the surrender of a certificate for 2000 shares of stock and payment of \$300 dividends and interest by James F. Burns, defendant, to James Doyle, plaintiff.

It is claimed Burns has been holding this stock back for ten years, voting as he own in meetings of the company and drawing dividends upon it. Doyle alleges that Burns has 23,000 shares belonging to the former, while Burns has heretofore denied that he has any of Doyle's stock in his possession. The verdict was in Burns' favor at the trial of the case last April.

Doyle secured information regarding the certificates for 2000 shares from J. E. Bischoff, former bookkeeper of the Portland Mining Company and private secretary to Burns. Bischoff testified for Doyle in the different trials of the case, but has now made a complete confession that not only Burns but his attorneys knew about this stock.

WILL REFUSE TO TESTIFY

Paper Trust Officers to Appeal From Court's Order.

ST. PAUL, Oct. 7.—Judge Vandeventer, in the United States Circuit Court, late this afternoon decided that an appeal would not be granted his decision handed down last Tuesday, citing members of the General Paper Company to answer questions, and to produce the books called for by the government in its suit for injunction against the so-called paper trust.

The next step in the proceedings will be for the witnesses named to appear before Examiner Robert R. Taylor next Thursday. It was intimated by their attorneys today that these witnesses will refuse to obey the order directing them to testify. They will then be punished for contempt, probably by the imposition of a nominal fine. The order of the court on an appeal will then be taken to the Supreme Court, where the question of their testimony will finally be adjudicated.

COURT HELD ON TRAIN

Negro Charged With Assault, Convicted in Baggage-Car.

FADUCAN, Ky., Oct. 7.—On board the same train on which he was returning to the scene of his alleged crime, James Powles, colored, charged with assault on a white woman at Clinton, Hickman county, was tried, convicted and sentenced to seven years in the Penitentiary. Court was held in the baggage-car on an Illinois Central train because the authorities were afraid Powles would be lynched if he was allowed to be taken off at Clinton.
