\$60,000 Picture "Sistine Madonna"

On Exhibition All This Week on 3d Floor The Meier & Frank Store

We place on free exhibition in the Upholstery Department, Third Floor, tomorrow one of the marvels of the Lewis and Clark Exposition. Raphael's "Sistine Madonna," an exact creation in needlework by Miss Clara Ripberger, of Dresden, Germany. Miss Ripberger has executed this remarkable work from memory, yet she has preserved all of its wonderful qualities; the spell of the original is there, the magnificent coloring, the expression of the faces. This wonderful specimen of art needlework was sent to the St. Louis Exposition by the German government, then transferred to Portland. Not a brushful of paint has touched the picture, filose silk of various colors being used entirely. Viewing it at a distance, no one is prepared to say that the work is not painting; in fact, the statement that it is needlework is often disputed until the witness has approached and felt the texture for himself. The picture is 7x10 feet in size. Exhibition hours, 10 to 12 M., 2 to 5 P. M. Free to all. Come as often as you please to see it. Third Floor.
