OREGON IS FIRST IN AGRICULTURE

State's Display at Exposition Captures 384 Gold Medals.

COLORADO SECOND PLACE

Wyoming, North Dakota, Montana Washington and California Also Make Creditable Showing

in the Awards.

The department of exhibits yesterday finished compiling the list of medals and prizes awarded the agricultural exhibitors at the Lewis and Clark Exposition. As was expected, the list shows that Oregon s far in the lead with the number of medals and prizes awarded by the Expo sion, having about 284 gold medals alone for her agricultural display. Colorado follows Oregon with 222 gold medals, and Wyoming is third on the list with 79 gold edals

North Dakota and Idaho make a good showing, having captured 77 and 60 gold medals, respectively. Montana gets 61 gold medals, Washington 31 and California 18. Louisiana gets ten gold medals for her agricultural exhibits. Japan is skins awarded three gold medals, Canada two and Illinois three. New York State gets one gold medal for an agricultural exhibit

The following is the list of the medals and prizes awarded for the Oregon agri-cultural exhibits at the Lewis and Clark Exposition
