Nothing to nothing tersely tells the tale of the struggle on the gridiron between the giants of the Multnomah Amateur Athletic Club and the gladiators representing the Astoria Commercial Club. But it does not tell how some vain freak of fortune would intervene in favor of the heroes of the local club were within striking distance of the coveted goal, only to lose the ball on a fumble.

Frequent fumbles, every one of which seemed to occur just at the time the locals were likely to profit most by perfect play, gave the ball to the Astorians, necessitating another struggle for its possession.

Multnomah kicked off promptly at 3 o'clock, James booting the pigskin first, and Astoria securing possession on their own 40-yard line, from whence they advanced the ball into the Multnomah's territory some 20 yards before losing it in down.

Score Seems Inevitable.

Once in possession of the ball, Captain Jordan and his men started off for the opposing goal line, and, by a series of line bucks, end runs and mass plays, they succeeded in carrying the ball to within three yards of Astoria's goal. Coach Overfield stood on the side lines with a stoical grin on his features, Manager Watkins was happy, and the crowd of rooters and Multnomah admirers had started to count the score which seemed inevitable. The teams lined up for the first down, the ball being only three yards from the score. James was delegated to carry the ball in a plunge through the center for the touchdown. The ball got through safely, but in doing so fumbled the ball, which was seized upon by an Astoria man, and the fruits of the triumphant march down the field had glimmering, for Astoria kicked the ball to the center of the field. Jordan retrieved the punt, but was downed without making much headway, and the local players started on their second approach of the opponents' goal.

With Jordan, Butler, James and Owens alternately carrying the ball for gains of three to five yards, the Astorians, and Owens' pretty 20-yard run, they soon had the ball on the Astoria 15-yard line, only again to lose it on a miscue in handling the oval.

Astoria Kicks Out of Danger.

Astoria again kicked out of danger, and the clubmen had started on their third trip down the field, but almost before they started, another fumble cost them the ball, and the first half closed with the ball in Astoria's possession on Multnomah's 45-yard line.

In the second half of the game, Abercrombie kicked off to Jordan on Multnomah's 25-yard line, and the local man returned it ten yards before being downed. The local interference on the kickoff, as well as on punts, was not so good as was expected of them, for time and again the Astoria ends would go through the local men and tackle the runner before he would get started with the ball.

This defect was not so glaringly apparent as was their fumbling, for this latter undoubtedly cost Multnomah two touchdowns in each half, possibly one in the second, as they had hit a line.

MANAGER WATKINS DISAPPOINTED.

"I am somewhat disappointed at the outcome of the game, for I confidently expected a victory. The result is due to costly fumbles, which seemed to occur at a critical time. This defect will be remedied by the time of our next game, two weeks hence."—F. E. Watkins, manager M. A. A. C.

QUAKERS PLAY THE BEST GAME

Pacific University Team Is Defeated at Newberg.

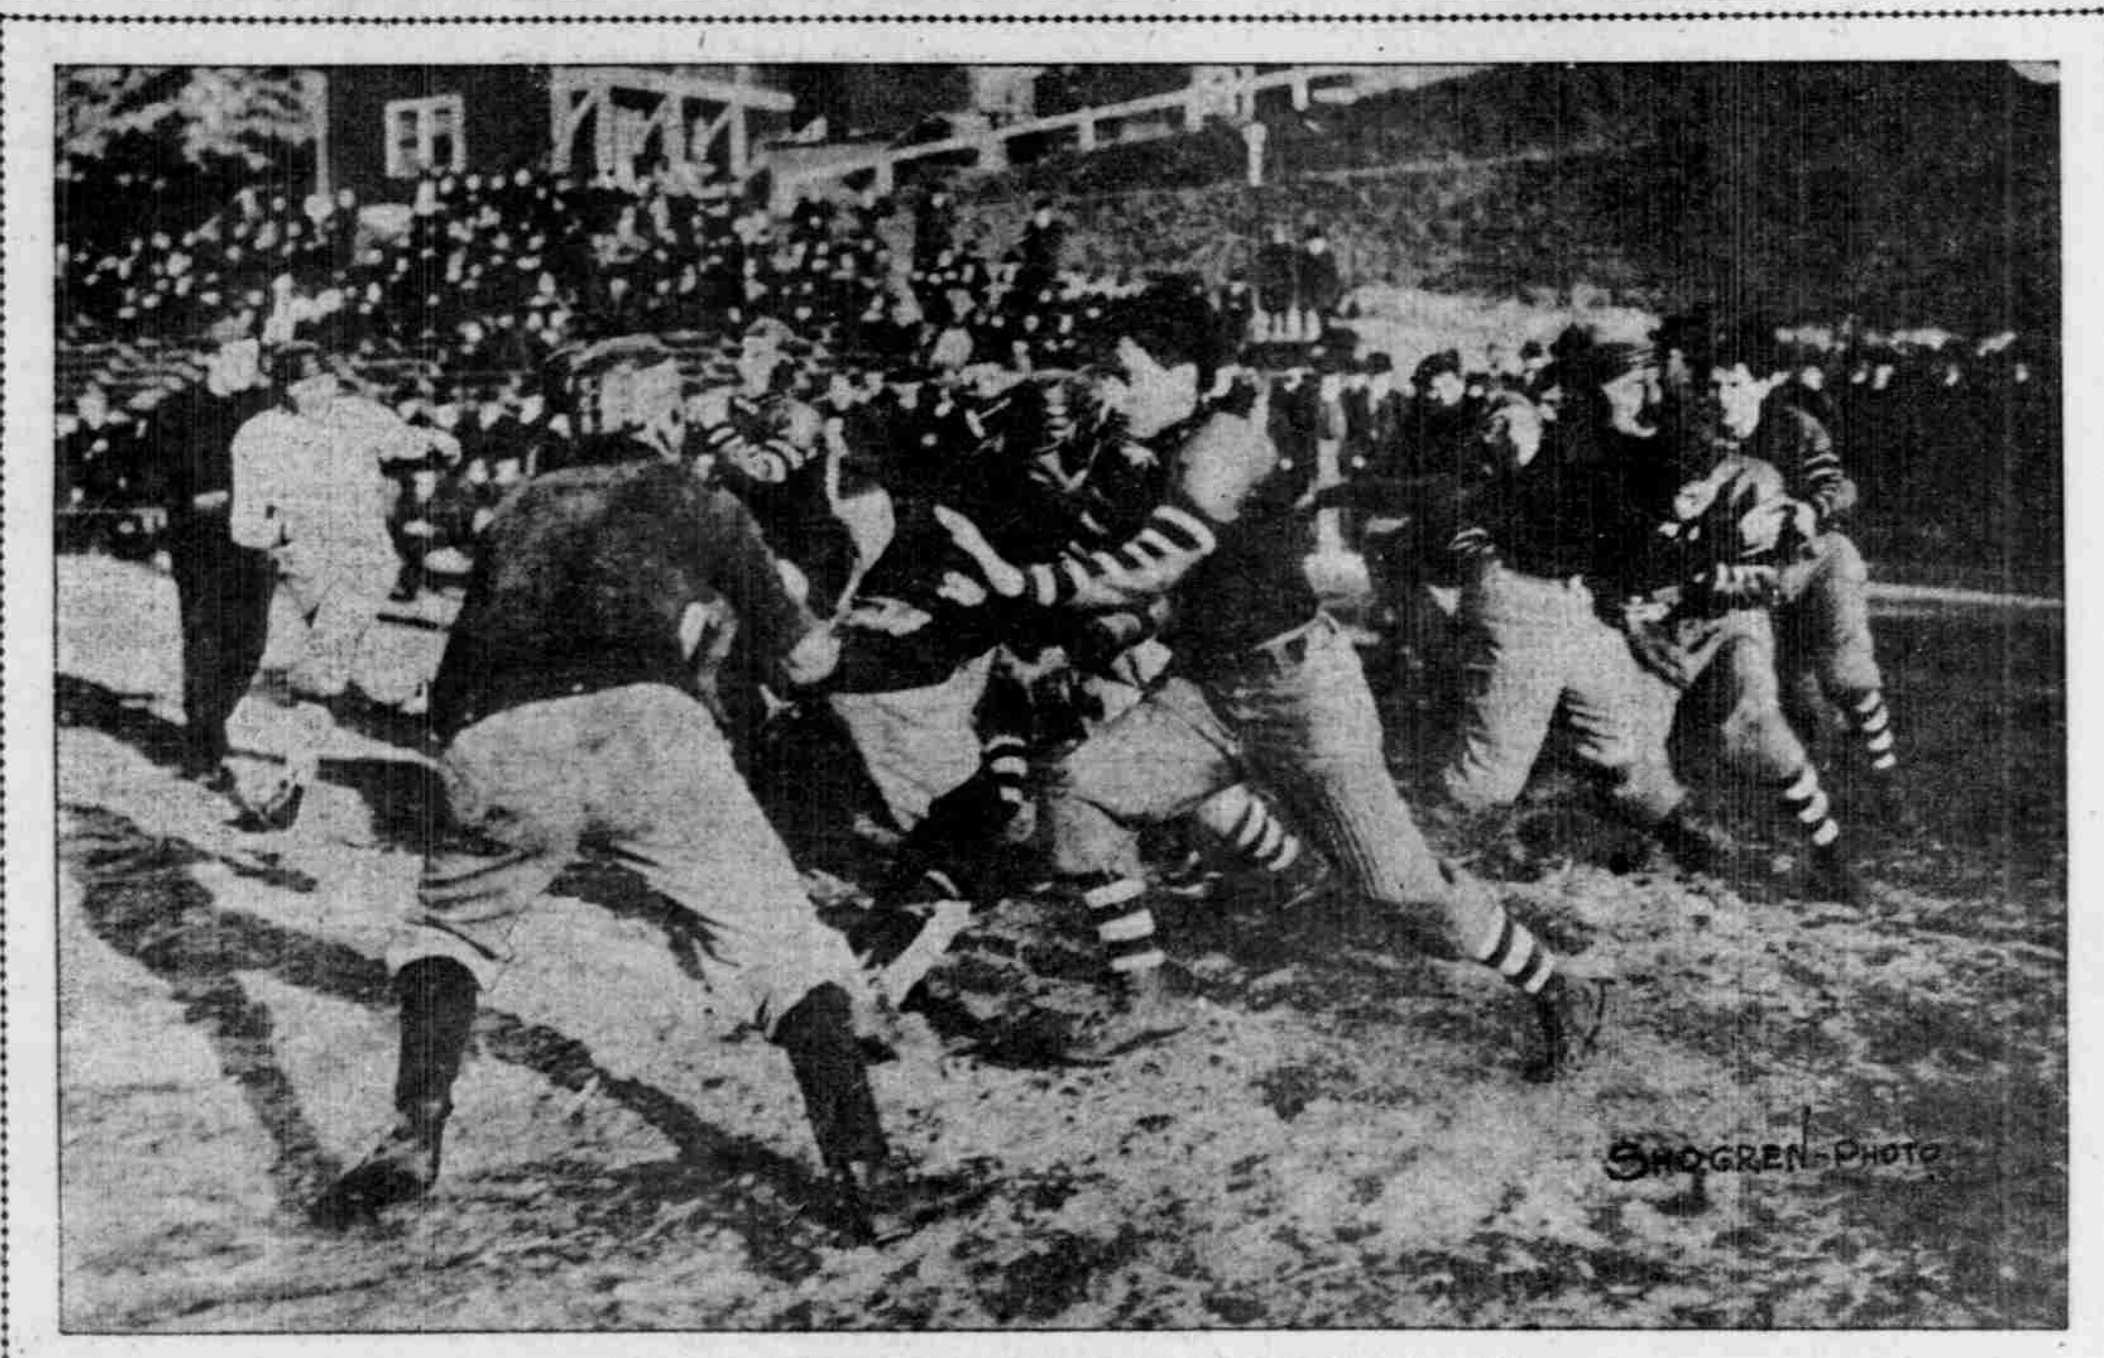

NEWBERG, Or., Oct. 28.—(Special.)—In a fast game of football played here this afternoon, Pacific College defeated Pacific University by the close score of 5 to 0. It was Newberg's first game, and many of the team were new at the sport, but the Quakers played like veterans, most of the playing being done in Forest Grove's territory.

Once only was Newberg's goal in danger. The visitors fought fiercely for every foot of territory, however, and the game was thrilling throughout. The line-up was as follows:

P. College.	Position.	Pacific Uni.
W. Collins	Center	Allen
W. Collins	Center	Allen

A DESPERATE SCRIMMAGE IN THE MULTNOMAH-ASTORIA FOOTBALL GAME.

FENTON IS A STAR

Portland Academy Man Makes Stanford 'Varsity.

RUNS TEAM AS QUARTER

Eighteen Years Old and Weighing 125 Pounds, He Is in Every Scrimmage—Drop-Kicking Is His Strong Point.

STANFORD UNIVERSITY, Cal., Oct. 28.—(Special.)—The 'varsity football season has been an interesting one from the viewpoint of the bleachers, because of the unusually large number of individual stars. There have been many surprises since the season opened, September 19, and when it was feared the team would be weak, star performers have cropped out to fill the places, and where it was thought old men had their places "cinched," younger players have all but forced them out of their positions.

As a consequence of this peculiar situation the sporting pages of the San Francisco dailies have abounded in encomiums of many of the cardinal players. Some, of course, have received more notice than others, but, without question, Kenneth Fenton, the rising quarterback, has been

field generalship worthy of more experienced players, and he still retains his old-time skill in directing plays, dodging and hurdling, with an additional cleverness acquired under the competent hand of Coach Lanagan.

The following figures well illustrate the young quarterback's ability as a field captain: He has participated for varied intervals in five 'varsity games this season, together with three other candidates for the quarterback position. In those games he has probably been in the scrimmage a half of each contest. Stanford has scored thus far 184 points. Seventy-two of these were made under the direction of Fenton.

But critics agree that Fenton's value to the team lies primarily in his kicking ability, and specifically as Erskine says, in his sureness in drop-kicking when near the opponents' goal.

Punting His Long Suit.

During the five games he has played in he has punted nine times for a total distance of 350 yards, an average of 42 yards a kick. His kicking is always consistent. He punts them high, and the ends always know just how far down the field the ball will light. In each of the last three games he has scored field goals by drop-kicking. Fifteenth Infantry, Oregon and Nevada being the opposing teams. In fact, the punter has been a star in every game.

Such is the record this wonderful little player has made with his stocky right arm. And such is the record which the cardinal supporters expect will place him in a 'varsity suit against the University of California a week from next Saturday.

The wonder of it all is that he is but 18 years old, stands but 5 feet 6 inches, and weighs only 125 pounds.

Salem High School Revenged.

SALEM, Or., Oct. 28.—(Special.)—Salem High School defeated McMinnville College football today by a score of 15 to 8. Two weeks ago McMinnville won from Salem by 6 to 0. Though the score today was large in Salem's favor, the teams were evenly matched and the contest was interesting from start to finish.

A 25-yard run by Catlin was the chief feature of the second half. The game was rough at times, Catlin receiving bad injury on the head. Rhodes of Salem was put out of the game in the second half for slugging and was succeeded by Holman.

Mount Angel Makes the Points.

MOUNT ANGEL, Or., Oct. 28.—(Special.)—Mount Angel College played football here today with the McMinnville College. The home team won over the visitors by a score of 21 to 0.

WON BY MASS PLAYS

Yale Men Easily Throw Aside West Point Men.

MAKE THREE TOUCHDOWNS

College Men Repeatedly Break Soldiers' Defense and Dash Onward for Goal, Trampling on Human Obstacles.

WEST POINT, N. Y., Oct. 28.—Yale's football team defeated West Point today by the score of 29 to 0, making three touchdowns and one safety. Yale's large score was made during sudden spurts, in which the heavy eleven West Point's defense aside with apparent ease and crossed the gridiron for touchdowns in a few mass plays. Aside from these few minutes' play, the game looked quite promising for West Point.

Toward the close of the game Yale's attack strengthened and sensational runs were continually made. The game was practically ended before the time limit by hundreds of enthusiasts running out upon the field after Yale's last touchdown had been made on a 45-yard run by Quarterback Jones.

Both elevens used mass plays almost entirely. Frequently a group of four or five Yale players broke through West Point's defense and started an exciting obstacle race toward the Army's goal for gains of five and 20 yards. At such times the soldier tackles were dragged along the ground by the Yale mass, and stopped its progress only by throwing themselves on the ground to be trampled on.

GREEN TEAM STRUGGLES WELL

Columbia Wins, but Princeton Earns All the Honors.

NEW YORK, Oct. 28.—(Special.)—The 12,000 football enthusiasts who gathered this afternoon at the American League Park to witness the griffin struggle between Princeton and Columbia were as much surprised at the game put up by the Blue and White supporters as were the Tigers, who had not been looking for the fight that came. Princeton won by 12 to 0, but the greater credit belongs to Columbia. With a team that has played together a little more than a week, Columbia put up a surprisingly good game.

In the first half she did better work than her rival. In the second half she weakened somewhat, however, and the Tigers crossed her line twice. In some departments of the game Columbia constantly showed up better than did Princeton. This was particularly noticeable in kicking, where Carter outpunted Daub on nearly every exchange.

HARVARD SHUTS OUT BROWN

Scores Two Touchdowns, but Falls to Kick Goals.

CAMBRIDGE, Mass., Oct. 28.—By straight plunging football, with variations and a sturdy defense, Harvard scored a touchdown in each half against Brown today, but the first try at the goal was missed, while in the second the kick was spotted by Denny of Brown running out and catching the ball. Two runs by Schwartz, the Brown quarterback, for 20 yards each, were the longest of the game. The final score was: Harvard, 19; Brown, 6.

Harvard's first score was made from a start on Brown's 50-yard line, ten yards of it being on a penalty against Brown. The start for the second score was made on Harvard's 15-yard line, the ball being carried without loss for 37 yards.

Centuria Wins From Aberdeen.

CENTURIA, Wash., Oct. 28.—Centuria and Aberdeen High Schools played a fine football game in Centuria this afternoon. Centuria made the only touchdown of the game in the last ten seconds of play, Grimm being sent over the line for the touchdown. The goal was kicked, Grimm played a great game at halfback and his big end run in the last few minutes of play won the game for Centuria. Both teams were nearly of an equal weight, Centuria being a few pounds heavier. Score: Centuria, 6; Aberdeen, 0.

Junior Teams Play the Game.

Columbia Juniors played the Holladay School eleven yesterday, in a game that resulted in neither team being able to score. At the end of both halves the ball was close to Holladay's goal. The features were the end running of Moore of Columbia and the plunging of Covert, of Holladay.

BERKELEY WINS FROM THE AGRIC

Snedigar Crosses the Line After a Hard Race With Williams.

FIELD GOAL ALSO MADE

Oregon Men Are Run Off Their Feet in the Second Half When the Regular Varsity Backs Go In.

BERKELEY, Cal., Oct. 28.—The California 'varsity this afternoon defeated the Oregon Agricultural College team by the score of 19 to 0. The sensation of the day was the magnificent run of 55 yards for a touchdown, made by Snedigar, right half for California. Snedigar got past Dolan, the visitors' right tackle, and had a clear field in front of him. Williams, Oregon's speedy left half, shot after him and kept gaining until the goal-line was reached, when he tackled Snedigar, but was too late, as the Californian had gone over the line and made five points for his team.

At the opening of the game California put in freshmen to hold the positions of center, half and fullback. They were too light and could make no gains against the heavy Oregon line. Before the half was over, the regular 'varsity backs were put in, and they began to play real football. Force kicked a field goal during this half, making the score 4 to 0. Grey, of California, and Bundy, of Oregon, were rendered unconscious and carried from the field.

During the first half Williams, of the Oregon Agricultural College, made a brilliant end run of 30 yards. The second half started off with a rush. Sperry, Snedigar and Mead gave the Agriculturists of their feet. Snedigar made his great run for a score and Force kicked the goal, making the total score 19 to 0. Two field-goals were tried by California after this, but both failed.

PLAY A SCORELESS GAME.

Hill Military Academy and Marshall Wells Elevens Well Matched.

The elevens of the Hill Military Academy and the Marshall-Wells Hardware Company played a scoreless game on the Hill Military Academy playground, yesterday afternoon. Both teams played about equally well on the defensive and on the offensive. The first half being played almost entirely in H. M. A.'s territory and the second half in Marshall-Wells. The latter team won the toss and chose the right half.

The Academy kicked off, and Marshall-Wells advanced the ball steadily to the Academy's 30-yard line. H. M. A. then made a stand on the more level part of the field, and the remainder of the half. The Academy made yardage several times and then lost the ball on a fumble. Marshall-Wells began advancing the ball again but was stopped by the Academy. The Academy then kicked off to H. M. A. immediately losing the ball on a fumble. The half ended with the ball on the Academy's 30-yard line.

The Academy began with a tried hard to score and began with a number of substantial gains. When well within their opponents' territory they lost the ball on a fumble. This performance was repeated three times more during this half. Marshall-Wells once reached H. M. A.'s 25-yard line during this half, but could not repeat the trick, and the game ended with the ball in their territory.

Bezedek Is Chicago Star.

EVANSTON, Ill., Oct. 28.—(Special.)—Chicago smashed the Northwestern eleven's defense here this afternoon, making three touchdowns before the first half was finished. Within six minutes after the second half began Delany again made a touchdown for Chicago. Bezedek proved the star for Chicago, making both touchdowns in the second half. Eckersley and Perry kicked goals. Final score, Chicago 21, Northwestern 0.

Montana Outclassed by Pullman.

PULLMAN, Wash., Oct. 28.—(Special.)—In an exciting and spectacular game the State College defeated the University of Montana 25 to 0. The State College was far superior to Montana in all points of the game. Long runs, fierce line-bucking, pretty tackling, fumbling, holding, mixed from whistle to whistle, made the crowd interested for 45 minutes of play.
