My experience covers 17 years in the sgency business. I started at the bottom. I now control two large companies, and nesotiating for a third. Every honest person who reads this can secure a goodpaying position from me; willingness to work is the only capital needed. If you want to make an honest living, with opportunities of realizing more and more money, don't fail to write me today. A postal card will do. No previous experience necessary. I will teach you the business. Do not confound this offer with flaring advertisements promising \$15, \$160 and \$150 a week, which do not materialize.
