

Greatest Exhibit Ever Made

Eilers Piano House in Regal Splendor

ALL instruments purchased now will be stored and delivered as Xmas gifts at any time desired without extra expense.

From Boston, from New York and from Chicago, the great musical centers, we have gathered the largest and most beautiful array of Pianos, Pianola Pianos, Pianolas, Orchestrelles, Organs, etc., ever shown anywhere, even far surpassing our famous "Downtown Exposition" of the past Summer, both in magnificence and magnitude.

It is the result of a great deal of forethought and personal selection. Every piano we are now exhibiting has been selected, not only to give our customers the best artistic merit, but the highest value at the price asked.

Our mammoth Christmas display typifies the great advance made in piano construction during the year past, the latest improved actions having a lighter and more responsive touch, the newest styles in case designs, entirely out of the ordinary and strikingly handsome, which are bound to appeal to the connoisseur and artistic musician. Such pianos, of course, make an exceptionally rare Xmas present, as we were only able to procure a limited number.

Over thirty different makes to choose from, representing the best values from the lowest to the highest-priced instruments.

CHICKERING, WEBER, KIMBALL, STECK, HAZELTON, HOBART M. CABLE, LESTER, SCHUMANN, HADDORFF, PEASE, CROWN ORCHESTRAL, STORY & CLARK, ETC.
