THREE VERY ATTRACTIVE MODERN RESIDENCES IN COURSE OF COMPLETION

Rents of Business Property Steadily Rising

In the heart of the business section of the city, three very attractive modern residences are in process of completion. The three homes are being built for Mr. and Mrs. George Marsh of San Francisco. The homes will be constructed of brick and have large windows. The homes are being built on a corner lot and will be occupied by Mr. and Mrs. Marsh as their summer homes.

The homes are being built by Mr. and Mrs. John S. Jones, who are well known in the building trade. The homes are being constructed of the best materials and will be finished in a style that is both practical and beautiful.

The homes are being located on the corner of Third and Main Streets, and will be completed in the near future. The homes will be occupied by Mr. and Mrs. Marsh as their summer homes.
