# The Clearance Sale Reinforced by Mighty Values Monday

But twenty-four days remain of the 28th Annual Clearance Sales-24 days only of the remarkable saving chances offered by the sweeping reduction made on absolutely every article under our three great roofs (contract goods alone excepted). Be sure every want is filled. Shop carefully and systematically - but spiritedly. Each day will bring its quota of extra specials. Be sure to scan our every announcement. Few, however, will tell of bargains greater than those printed on this page -for Monday shoppers.

Bear in mind that every 25c purchase at this store entitles you to a vote in the distribution of the store's annual \$2500 fund for benevolent use. This amount, divided in fifteen parts, graded from \$750 down to \$50, will be distributed as the public shall direct by popular vote among Portland's charitable societies, organizations or institutions, to be used by them in their individual or several charities in the city. The decision will be reached February 10, or in five weeks from date. Be sure your vote is used. Have a voice in the matter. What charity do you favor
