DR. WING LEE

LOCATED IN PORTLAND SINCE 1880

DR. WING LEE

He is called great because he cures all diseases without resorting to the knife. Call and have a free examination. He will tell you the exact nature of your trouble. He treats successfully every form of female complaint, all private and blood diseases, cancer, paralysis, tumors, rheumatism and all disorders of the stomach, liver and kidneys. He has had great success in curing consumption when the victim is not too much run down by the disease, and will stop hemorrhages in an incredibly short time. He brews his own medicines from Chinese roots, herbs, barks and vegetable leeks, all of which are entirely harmless and whose medicinal properties are unknown to American doctors. He uses in his practice over 500 different Oriental remedies. Hundreds of testimonials from grateful patients.
