ASK FOR REHEARING

Marquam's Attorneys Petition Oregon Supreme Court.

VITAL POINTS ARE SHOWN

Admissions of Trust Company in Supplementary Agreement Said to Be at Variance With Present Position.

SALEM, Or., March 2.—(Special).—O. F. Fenton, W. D. Fenton, Watson, Beckman & Watson and Mitchell & Tauner, attorneys for Judge P. A. Marquam, have filed in the Supreme Court a petition for rehearing in the case of Marquam vs. The Title Guarantee & Trust Co., which has excited so much interest and attracted so much attention.

The petition for rehearing sets out certain sworn allegations and admissions made by The Title Guarantee & Trust Co. in its pleadings in the suit brought to foreclose the mortgage on Judge Marquam's property, and shows that these admissions and allegations of The Title Guarantee & Trust Co. are inconsistent with the position assumed by that company in the present suit.

Judge Marquam's attorneys think that owing to the size of the record and the large number of long and complicated agreements and pleadings contained in it, these admissions of The Title Guarantee & Trust Co. occupied the attention of the court in preparing the opinion already delivered, as they are not referred to in that opinion.

The petition for rehearing further points out that the second supplemental trust agreement, which The Title Guarantee & Trust Co. prepared and executed from Judge Marquam and executed with him, contains agreements on its part wholly at variance with the position now taken by that company, and it is believed that this agreement also escaped the attention of the Supreme Court, as it is not referred to in the opinion. This agreement is set out in full in the petition for rehearing.

Judge Marquam's attorneys believe that these admissions of The Title Guarantee & Trust Co. are absolutely vital to the decision of the case and establish the correctness of Judge Marquam's claims, because they show that the property here was vested in trust in The Title Guar-

antee & Trust Co. and not merely the possession and income of the property.

ENGINEER WILL SPEND A WEEK

Klamath Irrigation Project Is Assuming Definite Shape.

KLAMATH FALLS, Or., March 2.—(Special).—J. B. Lippincott, Supervising Engineer of the United States Reclamation Service for California, and whose jurisdiction extends to the Klamath project, arrived tonight to spend a week on official business. Archie Davis, of Mason, Davis & Co., contractors for the first unit of canal, will arrive tomorrow, and work will soon begin on the irrigation system. The regular monthly meeting of the directors of the Klamath Watershed Association was held today and adjourned to Monday for a conference with the Supervising Engineer. Project Engineer T. H. Humphreys, having local direction, together with others of his department, met the visiting official at Keno on the steamboat for the last stage of the trip from the railroad.

WASHINGTON STATE EXPENSES

Auditor Gives the Figures for the Month of February.

OLYMPIA, Wash., March 2.—(Special).—State Auditor Clausen today gave out the following statement of the receipts and expenditures for the month of February:

Table with 2 columns: Description and Amount. Includes items like 'Daily, Sunday included, one year (1000 votes) \$8.00'.

and expenditures for the State of Washington for the month of February. General fund—Receipts, \$251,667.13; expenditures, \$27,283.12. The expenditures from the general fund were made up as follows: Eastern Washington Hospital, \$1,674.00; Feeble-Minded Institute, 1,968.42; Western Washington Hospital, 3,922.22; Current expenses of state, 7,868.12. The total expenditures for state institutions was \$28,432.76, and for state officers \$2,851.34. The total general fund receipts include current receipts amounting to \$24,967.73, and receipts from sale of bonds, \$23,000.00. The total receipts for special funds during the month were \$28,216.40, and expenditures \$25,739.82, which, together with general fund receipts and expenditures, make grand totals of \$221,882.13 receipts and \$25,162.99 expenditures.

The general fund showed an overdraft on March 1 of \$20,611.98.

Five Candidates for Sheriff.

OREGON CITY, Or., March 2.—(Special).—As Sheriff Eli C. Maddock today announced he will be a candidate for the Republican nomination for Sheriff, Mr. Maddock pledges an economical administration. There are four other candidates among the Republicans for this nomination, as follows: D. E. Dimick, of Canby; J. K. Morris, of Oregon City; R. E. Woodward, of Oregon City, and R. L. Greaves, of Willamette.

Douglas Socialists' Ticket.

ROSEBURG, Or., March 2.—(Special).—A mass convention this afternoon of Douglas County Socialists nominated the following ticket: County Judge, A. B. C. Whipple; Commissioner, R. H. Kirkpatrick; Sheriff, Robert Green; Clerk, Perry Duncan; Representative, M. Lemmer and L. T. Thompson; Treasurer, Carl Hoffman; Coroner, Jim R. Kennedy. The platform endorses the National Socialist platform, demands representation on election boards, and \$500 household exemption from taxation. The attendance was about 80.

Time Granted Light Company.

SEASIDE, Or., March 2.—(Special).—At a regular meeting of the Seaside City Council held Friday evening the Seaside Electric Light Company was granted an extension of time until September 1, 1906, in which to get its plant installed and to be ready to furnish lights to all who desired them.

The franchise was granted to this company July 1, 1905, and covered a period of nine months. At that time arrangements were made with A. S. Frosild, superintendent of the Seaside Spruce Lumber Company, to get power from the company's plant, but inasmuch as Mr. Frosild's affairs were somewhat complicated and he was not able to deliver the goods, the gentlemen controlling the electric light plant simply waited, doing only some preliminary work, to hold the franchise. They have a corps of surveyors on hand and will now rush the work.

Lawrence Seeks Lore.

OLYMPIA, Wash., March 2.—(Special).—Railroad Commissioner J. C. Lawrence left today on an extended Eastern trip, which will include the annual convention of the National Association of Railroad Commissioners in Washington this week in April. On the way to Washington he will visit the Railroad Commission offices in California, Texas, Louisiana, Alabama, Virginia and Georgia, and expects to spend some time with the Minnesota Commission on the return trip.

DIES IN GREAT PAIN

Young Woman Pours Gasoline on Her Naked Body.

SETS THE OIL ON FIRE

Two Notes Left by Mrs. Emily Geehrke, a Stranger in the City, Shows Suicide Was Premeditated.

LOS ANGELES, Cal., March 2.—A young woman known to the residents of Hollywood, a suburb of this city, as "Aunt Hester," but whose name is believed to be Mrs. Emily Geehrke, 42 Racine avenue, Chicago, committed suicide today by drinking a quantity of chloroform and setting fire to the gasoline she poured over herself after removing her clothing. She was sent to the County Hospital, where she died in terrible agony a few hours later. Two notes written by her before she attempted suicide, read as follows: "To whom it may concern: I have swallowed a quantity of chloroform and going to pour gasoline over my naked body and set fire to it. It will not be a burden to anybody."

"To my husband: I wish I could have been better to him. I did not realize how good he was while I was with him." Two weeks ago today a woman, 36 years old, neatly attired, appeared at the home of David Ammond, in Hollywood. She informed him that she was Mrs. Emily Geehrke, of 42 Racine avenue, Chicago, and that her husband had sent her to him. Ammond knew a young man in Chicago named Geehrke, but not sufficiently well to entertain him or his wife. He informed her of this, and when she burst into tears and told him she had no home, Ammond then sought to interest the authorities in Los Angeles County, and wrote to Chicago for information and instructions. He received no response from either place.

END OF GREAT COPPER WAR

Suits of Former Rival Interests Are Dismissed in Court.

BUTTE, Mont., March 2.—On motion of counsel representing the Amalgamated Copper Company and the Heine interests, 30 actions at law were dismissed by the District Court of Silver Bow County this afternoon. This wipes out all pending litigation in the state courts involving the former opposing interests, with the exception of a few cases in which counsel were not authorized to appear. These will be dismissed later, as will be 23 actions now pending in the United States courts. Dismissal of suits forms one of the concluding incidents of the copper war settlement recently brought about by the sale of the Heine interests to a company represented by Thomas F. Cole. The actions dismissed today include claims for damages aggregating more than \$20,000,000.

RISELAND IS COMMISSIONER

Governor Appoints Chief Deputy in Kershaw's Place.

BELLINGHAM, March 2.—Governor Mead, of Washington, now in Bellingham, late this afternoon announced the appointment of J. L. Riseland as State Fish Commissioner, to succeed T. B. Kershaw, whose term is expired. Riseland is at present chief deputy in the Fish Commissioner's office. Kershaw was a candidate for reappointment. Adherents of both men have waged an active campaign since the arrival of the Governor two days ago.

Sale of Sawmill Is Approved.

ASTORIA, Or., March 2.—(Special).—Judge C. H. Page, referee in bankruptcy,

today approved the sale of the sawmill belonging to the defunct Warrenton Lumber Company, to Gosselin & Hamblet, of Portland, for \$825, and the trustee was instructed to issue a deed to the property.

What Sulphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every Spring and Fall.

It was the universal Spring and Fall "blood purifier," tonic and cure-all, and, mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafer. They are small, chocolate-coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health. Sulphur acts directly on the liver, and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they doled us with sulphur and molasses every Spring and Fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafer is undoubtedly the best and most widely used. They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.
