

Portland's Most Reputable Store

This store is proud of its reputation for honesty—the belief of its customers that they will never be deceived by any statement made in this store.

The store is not satisfied with commonplace methods, commonplace successes or commonplace achievements. Its ambition is, frankly, to do the largest retail business in the West.

But always by honest methods—by using its power legitimately—by GETTING THE BEST GOODS the market holds AND SELLING THEM LOWEST—and by basing its information to the public on these points on the solid, immovable, rock-bottom truth.

De Miracle

The greatest hair remover known to modern science. The only method endorsed by physicians, surgeons, dermatologists and medical journals. Not at all painful. \$1.00 Free booklet at our toilet goods counter.
