

# Removal Sale

The  
**FOURTH WEEK**  
COMMENCING  
TOMORROW

The same spirit of activity that has characterized the successful progress of this remarkable sales event—that of extreme value-giving, and the appreciation of the many who have taken advantage of the unlimited sale offerings—will be no less prominent during the fourth week, commencing tomorrow, than during the three previous weeks, for throughout this sale stock are hundreds of opportune suggestions for economical replenishment of the home. Plain and upholstered furniture pieces in every design and finish—for parlor, library and living-room—various pieces for dining-room, bedroom and hall; also many odd pieces in the popular arts and crafts designs. Hundreds of other sale items have also been contributed by our various departments, the extreme limit in sale values being equally evident on all sale articles. No exchanges will be made on any articles selected from the sale stock—delivery to be at our earliest convenience.
