MADAM BARTH,

Having located more oil, gas and ors than any one in the world, Madam Barth does not chaim to be the only clairvoyant and palmist in the world, but she is acknowledged to be the greatest clairvoyant alive. Madam Barth is a natural-born medium, and this wonderful woman by simply taking your hand will tell you the troubles that are eating away at your heart. She will tell you of those things which you hesitate to let even your mest intimate friends know. She will tell you of the one you love, and why that one does not do as you desire. Of the influence that draws that one away from you. She will teach you how to control and influence the one you love. She will tell you of your family, your children, of business changes, investments, lawwult, losses, magriages, where you are going, how long you will live, what will cause your death, and whether land you own contains any mineral, oll or gas, and to what extent. If you have invested money unsuccensfully she will aid you in retrieving losses and will show you whereby you falled. Many a man and woman has spent years of separation and misery away from the one they love. Why? Because they did not understand each other, and because they could not control and influence the one they loved. Remember, MADAM BARTH does not use anything to deceive you. No writing of questions, to asking questions, but by simply taking your hand and looking in your face she will demonstrate her great power of second sight, and will tell you all you desire to know. She will tell you all you desire to know. She will tell you of her power. She has helped thousands.
