

ALL CLUBS TO MEET

Northwest Commercial Bodies Will Convene at Spokane.

UNITE IN PUBLICITY WORK

Portland Commercial Club and Spokane Chamber of Commerce Take Initiative in Movement From Which Much Is Expected.

The formal call for the Convention of Pacific Northwest Commercial Bodies, which meets at Spokane September 25, was issued yesterday.

Delegates representing the different commercial orders of Oregon, Washington, Idaho and Montana will take part. The call is as follows:

As the result of extended conferences held at Portland and Spokane, under the auspices of the executive committee of the Portland Commercial Club and the publicity committee of the Spokane Chamber of Commerce, it was unanimously decided to hold a convention at Spokane and invite the cooperation of every commercial and industrial body in the States of Oregon, Washington, Idaho and Montana to participate through representative delegations.

Purpose of the Convention.

The purpose of this gathering is to bring together the representative men of this most prosperous section of the United States, and after thorough consultation unite upon a plan to advertise the actual resources and not to exploit the peculiar advantages of any of the cities.

In all this vast empire the greatest resource is timber, the principal cereal is wheat, the chief fruit the apple, the greatest force water power, and the most necessary development increased irrigation, while mining and stockraising are equally important.

Every city and town in the four states is equally interested in securing the home-builder, for it is only through increased population that we can develop these tremendous resources which are of necessity the foundation upon which our cities must be permanently prosperous.

The officers and active members of the leading commercial organizations in the Pacific Northwest have discussed this meeting and have promised to be present personally. The lowest possible railroad rates will be made, and the work of this convention will be watched with interest by the passenger and immigration officials of all the transcontinental railroads, many of whom will attend. There is a universal disposition throughout all this section of the United States to have its resources advertised, its busiest and best men are ready to put up their money and give their time.

It is expected that the list of names of all the four interested states may be induced to make appropriations for advertising their own peculiar advantages, and the law-makers of the four states will be very much interested in the deliberations of this convention, and for that reason all delegates are urged to ascertain the sentiment in their immediate communities before coming to the convention.

We are anxious that your locality should be represented, and we trust that this call will be taken as a personal appeal by every community it reaches.

Hoping to meet you at Spokane, Tuesday, September 25, we are, very cordially yours, THEODORE B. WILSON, Chairman Executive Committee, Portland Commercial Club, G. DENNIN, Chairman Publicity Committee, Spokane Chamber of Commerce.

FEDERAL JUDGE RETURNS

Wolverton Back From Montana, and Will Hold Court Here.

United States District Judge Wolverton returned from Butte, Mont., early yesterday morning, and will remain here several weeks, or at least during the interim incident to the temporary full in the land-trust trials, after the pending case is finished.

Judge Wolverton and Judge Hunt, of the district of Montana, exchanged benches about six weeks ago, and both have since experienced the matchless periods in the dispensation of justice in their respective resins.

Judge Wolverton last night denied that he had decided upon anybody for Clerk of the United States District Court as successor to E. H. McKee, and declared that for the present he would make no appointment. There are quite a number of candidates for the position, and at various times rumors have prevailed that one or the other was about to secure the coveted place, but Judge Wolverton pronounces these reports without foundation.

ACCIDENT, JURY DECLARES

Inquest Held Over Body of Sadi Miller, Boy Who Was Drowned.

The coroner's jury summoned to inquire into the drowning of Sadi Miller, the young lad who lost his life last Wednesday in the presence of Cheney Griffith, a boy companion, whose silence since the affair made it suspicious, returned a verdict of accidental drowning.

After returning the verdict, the jury recommended that Griffith be turned over to the juvenile court for an investigation, for it was plainly shown at the inquest that he withheld the knowledge of the covered place, two days, and only told of what he knew under promise of a reward.

In the opinion of Deputy Coroner Arthur Finley and the jurors, Young Griffith is incorrigible.

YEARLY SALE OF DOG LICENSES BEGINS.

The yearly sale of dog licenses commenced at the City License Collector's office yesterday morning, and by the hour of closing \$195 had been taken in. The sale will continue for about ten days, after which the pound wagon will probably be started out.

It is expected that fully \$2000 will be realized from the sale of these licenses. Every year there is a fight among applicants for license No. 1, although by common courtesy in recent years Dr. G. O. Jefferson has fallen heir to the distinction. He is the legitimate successor to J. G. Stuart, publisher of the Daily Abstract, in this respect, and is likely to maintain the distinction until he wearies of the crown, in which event, the prize will be a grand scramble for the coveted treasure. Frank E. Watkins was given No. 13 for one of his choicest canines, and departed entirely satisfied.

Trison, Alice Mulford, Mattie Naylor, Leah Nelson, Lula Parmley, Mary Peary, Edna Peterson, Helen Petsch, Margaret Powell, Pearl Prince, Nellie Raabe, Blanch Rotherford, Geneva Rhoades, Lydia Robertson, Catherine Robins, Isabel Rockwell, Emily Rodgers, Anna Rodgers, Blanch Ross, Emma Rueter, Emolla Schaefer, Mollie Seal, Marie Seaman, Elphe Smith, Julia Spooner, Louise Strout, Sophia Swenson, Laura Thompson, Mignon Thompson, Jennie Timberlake, Isabella Watt, Stella Way, Florence Williamson, Annie Wilson, Debra Withey, Joyce Withey, Edith Wright, Merle Wooddy, Mary Young.

Miss Louise Boulan also passed a successful examination, but as she is under the legal age, no certificate will be granted her until she attains the number of years required by the statute.

The organization being Catholic, the Knights and candidates will attend solemn high mass at St. Lawrence Church Sunday morning at 10 o'clock. The Rev. Father J. C. Hughes will be the celebrant of the mass, and the Right Rev. J. P. Carroll, D. In the afternoon the degree work will be proceeded with at the Willamette Hall, corner of Second and Yamhill streets. Luncheon will be served in the hall at 5 P. M., and at the close of the exemplification of the work the party will halt to the Hotel Portland for a banquet, when speeches will be made by well-known clergymen and laymen. Monday, Labor Day, the steamer Udine has been chartered for a spin on the river to give our visitors an opportunity of seeing how Portland grows and observing the matchless scenery of the Willamette River. The party will leave the foot of Taylor street at 2:15 P. M., will take luncheon at the Rock Island Club and are due to arrive in the city at 10:30 P. M. All Knights will have their wives, daughters and sweethearts on the river trip.

Spiritualists of State Meet.

The Oregon State Spiritual Society met in annual session at the parlors of Mrs. Lucy A. Mack, editor of the World's Advanced Thought, which is regarded as the headquarters of the association. Mrs. Sophia B. Seip, president of the association, presided, and the entire time of the meeting was taken up by the customary reports, credentials, communications, resolutions, etc. Eighteen members were present. The president's report showed six subordinate societies in good standing—Ashland, Medford, Cottage Grove, McMinnville and two in Portland. Services beginning at 10 o'clock A. M. will continue all day today in Artisans' Hall, on Third street, near Washington.

Poisoned by Canned Meat.

Another victim of poisoning from eating canned meat products was added to the list Saturday, August 25, when Mrs. Otto Rummelin, who lives at 257 Commercial avenue, died from ptomaine poisoning. Mrs. Rummelin had eaten a small can of chicken, and afterwards became violently ill. The can was opened the following fore for Mrs. Rummelin's husband, but he did not like it and left it in the basket. The next morning Mrs. Rummelin found the meat in the basket and ate it. When she became violently ill the doctors declared Mrs. Rummelin was suffering from ptomaine poisoning. She was buried last Monday.
