Extraordinary October Purchase Sale of New Dependable Silks

Over 100,000 Yards of New Fancy Black and Colored Silks at Prices Below Their Present Actual Cost: Standard Qualities

At the beginning of the greatest silk season of recent years, we present this unequaled collection of foreign and domestic silks at price-concessions that establish new records for wonderful values in Portland's under-price store. New Plaid Silks Not only the largest showing of Plaid Silks in the greatest plaid season ever known, but they're exquisite, beautiful plaids. None of the colors are loud or garish.
