DEATH OF H. F. STRATTON
OREGON PIONEER PASSES AWAY IN SEATTLE.

For More Than Half a Century He Was Identified With the Upbuilding of the Northwest.

SEATTLE, Oct. 6-Special to The Oregonian.-H. F. Stratton, an original pioneer of the Northwest and a resident of Seattle for many years and of the town of its city since its earliest days, died here Thursday. He was 75 years of age.

Mr. Stratton was born in Eau Claire county, Wis., Jan. 15, 1836. He came to the West Coast in 1852 and settled in Washington. He was engaged in the lumbering business for 40 years in Washington, Oregon and California. He was one of the pioneers of the Northwest and was active in the lumbering industry in Oregon for many years. He was a member of the Masonic lodge and a member of the Odd Fellows.

Mr. Stratton is survived by a brother, J. H. Stratton, of Seattle, and a sister, Mrs. J. M. Martin, of Washington, D.C.

Charge Made That Refractometer Is Fradulently Stamped

PITTSBURG, Oct. 5.—The American Red Cross says that the refractometer is not fraudulent and that it is not used for the purpose of detecting fraud.

The refractometer is used to determine the quality of the liquid and other materials in the refractometer. It is not used for the purpose of detecting fraud.

The American Red Cross has written a letter to the Bureau of Standards in Washington, D.C., stating that the refractometer is not fraudulent and that it is not used for the purpose of detecting fraud. The letter states that the refractometer is not used for the purpose of detecting fraud.
