To prove to you the wonderful curative Professor William Ricards' Electro Ra-

Professor William Ricards' Electro Radiator.

This is the greatest electro theraupetic invention of the ago, and was awarded the gold medal at the Lewis and Clark Exposition. It gives no shocks or sparks, the sensation of the treatment being an electric life heat radiating all eyer the body. If you are suffering from nervous chill, rheumatism, lumbago, scialica, la grippe, catarth, or any chronic allment, we will demonstrate to you the possibility of a complete cure, without charge.

Hundreds of notable physicians in the United States and Canada use and recommend this radiator. We have their testimonies of its materialus in the United States and Canada use and recommend this radiator. We have their testimonies of its materialus in the grining power. The principal hospitais and sanatoriums of this country use it. This is not a new inveption, it has been theroughly tried and proven by thousands who now tell of its great healing power.

It radiates life.

It has defied death in many cases it has never failed as a wonderful healing agent and as a general toole has surprised all who use it.

Dr. Charles, one of the best-known and

who use it.

Dr. charies one of the best-known and experienced electro-therapeutists of New York, has been cusaged to inke full tharge of the treating rooms at my office and realdence.

MY MAGAZINE, "INVESTING FOR
Profit" (which I send free), is worth \$10
a copy to any man who intends to invest
any money, however small; who has
money invested unprofitably, or who can
save \$5 or more per month, but who
hasn't learned the art of investing for
profit. It demonstrates the real earning
power of money—the knowledge financiers
and bankers hide from the masses. It
shows how to invest small sums and how
to make them grow into fortunes—the
actual possibilities of intelligent investments. It reveals the enormous profits
bankers make, and shows how one can
make them grow into fortunes—the
actual possibilities of intelligent investments. It reveals the enormous profits
bankers make, and shows how one can
make the grow into fortunes, the xplains
how stupendous fortunes are made and
why they are made; how \$1000 grows to
