# Crowds of Enthusiastic People Are Investing in Waverleigh

205 Lots Sold --- This Week's Banner Record.

Do you know what that means? It means:

- That WAVERLEIGH is the people's choice;
- That WAVERLEIGH eclipses all other sub-divisions;
- That WAVERLEIGH is the most sightly, most picturesque Tract on the Market;
- That a much greater number of WAVERLEIGH lots would have been sold had weather permitted an inspection;
- That WAVERLEIGH lots when seen are appreciated and purchased;
- That when WAVERLEIGH lots are purchased they bring contentment and profit to the purchaser;
- That WAVERLEIGH is without an equal—it stands forth in all its towering and majestic glory—alone—unapproachable—grand and sublime, a peaceful haven of rest, a refined and cultured place for the home.
