Will Be Here Monday Demonstrating "Smart Set" and "Nemo" Self-Reducing Corset Made Exactly Like the Accompanying Illustration

**Nemo Self-Reducing Corset Reduces and Gives Comfort**  
It is positively the only corset in existence that actually reduces the figure of the stout woman without the slightest discomfort—in fact, it will produce comfort.

**The Nemo Self-Reducing Corset Gives Health**  
The wearing of it assures health to women who are physically weak or who stand or walk much. Celebrated physicians recommend this corset in place of abdominal bands, as it accomplishes the same result and yet gives better support. It adjusts itself to the form automatically and fits snugly and smoothly.

**The Nemo Self-Reducing Corset Gives Style**  
It greatly improves the figure and makes a satisfactory foundation for the fitting of a gown. Fashionable dressmakers recommend it to their customers.

**Nemo Self-Reducing Corset an Economical Investment**  
It has advantages which the woman who wears it can prove. It is actually cheaper to buy a Self-Reducing Corset at \$3.50 than four ordinary corsets at \$1.00 each, for it wears longer than the four cheaper corsets and gives more comfort.
