

FORAKER SOUNDS LOUD FIRE ALARM

Insists on Convention in Ohio to Decide About the Presidency.

CALLS CHAIRMAN A BOSS

Says Demand Senators State Position Is Rank, Dictatorial Bossism. No Fear of Losing Senatorship by Resistance.

WASHINGTON, May 18.—Senator Foraker today issued a spirited rejoinder to the statement made public at Columbus, O., yesterday, by Chairman Brown, of the Republican State Central Committee, embodying his views and those of Governor Harris and other state officials respecting Ohio's choice of a candidate for President. The Senator says it is "difficult to make a polite answer to a part of Chairman Brown's statement, declaring that "for rank, dictatorial and offensive bossism it far exceeds anything I can recall."

Following is the text of Senator Foraker's statement:

Insists on Convention.

"The state officers have a right to their preferences and to declare it when they like, but such declarations do not dispose of the necessity for a convention nor, in my opinion, that the voters should be given a chance to be heard before final action has been taken."

"If the Republicans of Ohio are all overwhelmingly, or even by a bare majority, in favor of Secretary Taft, his friends need not either fear the primaries or be in a hurry about holding them."

Calls Brown Dictatorial Boss.

"As to the rest of Mr. Brown's statement, it is difficult to make polite answer. For rank dictatorial and offensive bossism, it far exceeds anything I can recall. It amounts to a threat that unless I declare for Mr. Taft I shall lose the Senatorship. That may be, but if so the fact has no terrors for me."

BROWN'S DEFINITION OF BOSS

Called So by Man Whose Orders He Will Not Obey.

TOLLEDO, O., May 18.—Chairman Walter F. Brown, of the Republican state central committee, would not discuss today the possible political effect of Senator Foraker's latest challenge. He refused to say whether this would be considered ground for calling a state convention and which Secretary Taft would be endorsed and the Senator possibly exposed to criticism.

It was expected that the race of the day would be between Millen, of Seattle, and Green, of Centralia.
