## Astounding Bargainizing in Richest Lace Curtains, Read

A sale made possible by a daring purchase of thousands of pairs of Curtains of the better sorts. Our buyer on a recent trip East, took the entire surplus stock of one of the largest importers in the business. Quantity made the price a decidedly low one, and in the face of tremendous advances on this sort of goods, we are able to offer values really wonderful.

The assortment consists of handsomely patterned Curtains in real hand-made Cluny and Arabian lace; also some extremely rich designs in Flet Italian Lace and Irish Point patterns.

The Irish Point and Brussels Net Curtains have the first mention—here by the hundreds of pairs; a rare assortment for tasteful and varied choosing. Come in white or ivory tints, cushion work or applique designs and exquisitely pretty.
