

Our stocks, even after the terrific selling of the past two weeks, are still too large. Some must stand on hand, but all must be made smaller, before we undertake the hard task of taking stock. So now we offer, commencing tomorrow morning at 8 o'clock, this Clean-Sweep Sale. Only such items are here given as we can find space for, hence we offer merely as examples of what may be had in all lines during this Clean-Sweep Sale.

RECORD PRICE FOR LAND

FARM ON BASE LINE BRINGS \$700 AN ACRE. Owing to the expectation that the Mount Hood railway will pass through this district the price of land has taken quite an advance. The presence of surveys about Rockwood and north and south of the Base Line road has also stiffened the prices. It is understood by the farmers that the route will not be far from Rockwood. Much is expected from this new line.

Large Tracts Near Gresham Are Being Broken Up Into Small Holdings and Rapidly Improved. Dr. Thompson, of Gresham, who has invested in farm property in that neighborhood largely, says that between Portland and Pleasant Home newcomers are rapidly buying up land, both improved and unimproved. Gresham is a center for the Powell Valley district, and is surrounded by a rich farming section.

SWELTER UNDER TORRID SUN

PORTLAND PERSPIRES WITH MERCURY AT 91. Humidity Low, but Absence of Cooling Breezes Causes Discomfort. The Hourly Temperatures. There was an attempt, obviously, to beat the season's heat record yesterday. Technically the sun failed by a fraction of a degree, although in all intent and purpose it was the hottest day of the year for while the humidity was comparatively low, there was an absence of cooling breezes. Smoke from chimneys could be seen mounting upwards as straight as a battalion sergeant-major on dress parade.

PULLMAN, Wash., July 20.—Fire early this morning destroyed the Pacific Coast elevator and warehouse, the Standard Oil tanks and house and the warehouses of a number of Pullman merchants. The loss will total nearly \$30,000 and is distributed as follows: Stewart Clure Hardware Company, \$8000; Billy Reed Furniture Company, \$1200; Frank Campbell,

CHILDREN'S PARADE PHOTOS

Delightful—Kieser—Imperial Hotel. The insurance carried by the various firms cannot be accurately determined, as many of the policies are in the hands of persons who are not in the city. The heaviest loss will fall upon the elevator company, as the harvest season is on and grain will soon begin to arrive. This fire is the heaviest that has visited Pullman for years.
