HIGH-CLASS DRAPERY AND DECORATIVE WORK OUR SPECIALTY—CORRECT MODERN SCHEMES IN INTERIOR DECORATION—WALL PAPERS AND HANGINGS, COVERINGS, ETC.

The most complete Decorative Department in the entire West—the most extensive array of the finest fabrics for the correct execution and the most exacting demands in the covering of walls, furniture and in window and door hangings, etc.

WALL COVERINGS AND DECORATIONS

For the library or hall with high wood wainscoting and beam ceiling we are showing Wall Papers in English tapestry reproductions, leather panel effects, burlap grains in all plain colors; also Wall Burlaps in all shades and in the plain, to be tinted to suit. In Real Tapestries we show an endless variety in wool, silk and cotton, fruit and flower designs, suitable as wall coverings for these rooms; also scenic friezes, verdure tapestries and plain effects. We also finish the wood work to match any furniture, and the tinting and decorating to carry out the color schemes necessary to any selections in furnishings. **FOR THE RECEPTION ROOM** we show in Wall Papers exclusive designs and colorings in English, German and French papers, fresco crowns, colored satin gray stripes, moire damask effects, hand block panels, silk stripes and figures,

and imported block panels. In fabrics we show the most exquisite assortment of imported damasks obtainable, with plain velour or damask hangings to accord with them in period designs of Italian and French Renaissance, Louis XV and XVI, Adam, Elizabethan, Empire, Colonial, etc. We do the finest hardwood finishing, enameling and decorating where necessary to complete our decorative schemes.

FOR THE LIVING-ROOM we show Wall Papers and Wall Tapestries that, when executed with their proper door and window hangings produce that quiet, restful effect of which we never tire, and obtained through such shades as brown, green, tan, etc.

FOR THE SLEEPING-ROOM we show an extensive array of dainty chintz and cretonne effects, plain moire and ribbon borders, delicate pink, blue, gray and yellow in plain fabric effects, with floral crowns or molding finishes. In fabrics for sleeping-room walls we show imported cretonnes and French Chintz; also Jasper cloths, plain, with stripes to match in all popular dainty sleeping-room shades. Our door and window hangings are made in patterns and colors to match wall papers, wall tapestries and cretonnes.

FOR THE KITCHEN, PANTRY, LAVATORY AND BATH we carry an extensive line of "Sanitas" enamel papers, varnish tiles, decorated washable effects, in all shades and colors. We do the highest class work in bathroom enameling, also wall tinting and frescoing. Estimates and designs furnished. Decorative Department, sixth floor.
