IME DUNN-LAWRENCE COMPANY,

149½ First Street.

SNAP—I have to offer, for a short time enly, a choice young apple orchard of 30 acres in five acre lots. The trees are in full bearing, of the choicest varieties (those best adapted to the locality) viz. Spitzenburg, Winesap, Baldwin, Ben Davis and Yeitow Newtown Pippia. The property is situated in the Umpqua Valley. Douglas County, Or., 166 miles south of Portland, and 40 to 80 rods distant from the postoffice and depot on the Southern Pacific railroad. In the town are located a bank, school, churches, drugstore, hardware store, four dry goods stores, grocery stores and other small stores and business places.

This locality is subjected to neither extreme heat ner cold, making a very desirable locality for family homes for those desiring the best of society, good schools and churches. The country adjacent is well timbered, and has good water and plenty of it, good sell, no adobe or reck in the way to prevent a high state of cultivation, and crop fallures in either fruit, hay, grain or vegetables are unknown. As a stock country, this can't be beat—the cilmate and natural growth of vegetation makes this a stockman's paradise. The great quantity of timber makes building material cheap.

I also have for sale unimproved and timbered lands from one to one and one-half miles from the depot. Will sell this in lots from 40 acres to 360 acres in size. A good sawmill proposition. Title is perfect and will be guaranted. No mortgages and I will make a warranty deed to every acre of my land.

For further particulars inquire of C. P. DEVORE, Drain, Or.
