The New "La Vida" Corsets

"La Vida" Corsets, like the rarest custom garments, are made entirely by hand, and stayed with genuine whalebone. Uncommonly qualified in fabric, fit and fashion. While at least equal to the finest European corsets, the prices are very much more reasonable, as there is a saving of 60 per cent duty on each pair.
For actual value, fit and quality combined, they surpass all others. The present season's models are unusually clever.
Lipman, Wolfe & Co. are sole agents for "La Vida" and "W. B. Corsets"—known everywhere by women of fashion—fitted here by expert corsetiers.
