# M'CARTY IS GUILTY

Man Responsible for Killing of Estes by McManus.

JURY IS OUT EIGHT HOURS

McCarty Steals Editor McManus' Watch-Latter Suspects Estes and Kills Him, Being Acquitted. Chief State Witness Absent.

PENDLETON, Or., Oct. 12 -- (Special.)-After being out eight hours and balloting almost incessantly, the jury in the case of the state against Jack McCarty brought in a verdict a few minutes after 8 o'clock tonight of guilty as charged.

McCarty is the man who was accused of robbing Editor J. P. McManus, if the Pilot Rock Record, in the Idle Hour lodging-house last February. Under a mis-taken idea as to who robbed him, Mc-Manus, it will be remembered, shot and killed Bob Estes, believing him to be the thief. For this McManus was tried and acquitted. McCarty had been arrested the same night and before the shooting and looked up on a charge of robbery That same night his wife returned Mc-Manus' watch to the officers.

One of the features of the trial just closed was the disappearance of bartender Mike Rudd, upon whom the state depended for important connecting testi-Rudd was located in Walla Walla, but refused to return to testify and could not be brought back today. I prosecution took a chance and w shead without his testimony and won.

FIX CLATSOP CO. VALUATIONS

### Assessed Property Increases Over \$779,000 Above Last Year.

ASTORIA, Or. Oct. 12.—(Special.)—Assessor Cornellus has completed the assessment roil for the year 1907, and it fixes the total assessed value of taxable property in Claisop County at \$5,695,984, an increase of \$773,572 over the 1906 roil, when the total valuation was \$4,916,112. The principal increase this year is on timber lands and on property owned by the tents. lands and on property owned by the As-toria & Columba River Railroad Company. The value of timber lands was advanced \$25,151, and the value of the railway roadbed and rolling stock was increased \$198,5%. A summary of the roll, showing the assessed valuation of the various classes of taxable property in the country is as follows:

county, is as follows:	
Acres tillable land, 5490.9	\$ 53.199
Acres non-tillable land, 471,885.5	9 699 915

## Consider It Better to Rent Range

Than to Use Government Land. GRANITE Or., Oct. 12 -(Special.)-Another season for grazing sheep and other stock on the Eastern Division of the Blue Mountain National Forest has passed. and the sheepmen have now had two Years' experience of practical demonstra-tion of the workings of the National Forest system. There seems to be con-siderable difference of opinion as to the benefits, in many instances dissatisfac-tion being expressed. Some of the al-lotments were far from satisfactory, the grass on them giving out early in the Summer, while others seemed to have more grass than was needed. Because of this it is said that the meeting on December, when the new allotments are made, will see the sheepmen fighting among themselves to secure choice ranges instead of standing together for their own interest. own interests, as they have here-

Practically all the sheep are now clear the reserve, having left the mountains the Winter range. Before starting sopphen here were heard to say that it was doubtful if they would try to secure an allottment on the National Forest for their stock next year. They find that it is cheaper to rent a range from private interests than to get the same privileges from the Government. There are thou-sands of acres of timberland in the Blue Mountains that have been dead as timen will endeav secure range on these lands.

GUGGENHEIM TAKES THE MEN

### Will Furnish Employment to All Laborers Out of Work at Valdez.

SEATTLE, Wash. Oct. 12.—(Special.)—Governor Hoggatt, of Alaska, today requested the Guggenheim interests to provide employment for the 400 railroad inborers thrown out of work at Valdez by the fallure of the Alaska Home Railway. In his cablegram, Governor Hoggatt de-clares the mon are penniless and unable to collect the wages due them. He is at Valdez and fears that if the me are left in that town serious trouble will occur. The townspeople cannot support the men, and no one save the Guggen-heims can provide convenient employ-

Prior to the receipt of the Governor's cablegram, the Guggenheims had agreed to take a part of the men, but, in view of Hoggatt's personal appeal, cabled instructions were today sent that all the men should be given employment. Tray will be taken from Valdez and sent to Katalia for work on the Conner Physics of the Conner P work on the Copper River & North

CLOSES WITH GREAT HUBBUB

### The Dalles District Fair Has Been Success From the Start.

THE DALLES, Or., Oct. 12.—Amid the tooting of horns and whistles and carnival riot of every description, the second district fair closed at mid night tonight. Today has been chil-dren's day and few stunts have been left undone by the rising generation which has crowded the pavillion, streets and race track since morning. The delightful weather of the past week bids fair to break tonight but the show is safely past under unuded skies. No list of prize awards

has been given out by the fair direc Since exhibits of fruit were so un-expectedly numerous and excellent, special prizes have been arranged for in many divisions. The fair is esti-mated by the directors as a financial

LIGHT DOCKET IN HARNEY

Few Cases of Importance-Judge Webster in Attendance.

BURNS, Or., Oct. 12.—(Special)— The October term of Circuit Court for Harney County, Judge Geo. E. Evans of Canyon County presiding, is in eession here, but there are few impor-tant cases on the docket. In the case against Guy E. Dickenson, who was arrested on an old charge upon his return to this county from Lebanon a few weeks ago, the indictments were set aside and the accused was discharged.

Judge Lionel R. Webster of Multnomah County is in attendance at this term as an attorney in some water right cases and Judge Will R. King of the Supreme bench is also present, but for the purpose of looking after some property he owns in this coun-

POLICE BOARD FILES CHARGES

Discharge of Astoria Patrolman Ordered by Commissioners.

ASTORIA, Or., Oct. 12.—(Special.)—At a special meeting of the Astoria Board of Police Commissioners this afternoon, Chief Police Commissioners this afternoon, Chief Gammal was, in accordance with a request from the City School Board, appointed as truant officer for Astoria school district. Patrolman George Coffman was notified that his resignation as a member of the force is requested, to take effect at the end of his present leave of absence, on account of conduct unbecoming an officer. Charges against other members of the force were presented to the Board, and an adjournment was taken until October 21, when the charges will be investigated. be investigated.

VALLEY MILLS CLOSING DOWN

Booth-Kelly Company Finds Difficulty in Getting Cars.

EUGENE, Or., Oct. 12.—(Special.)—
The Booth-Kelly Lumber mills at Saginaw have been indefinitely closed
down on account of car shortage. The
company's mills at Springfield, Wendling and Coburg are running on half
time for the same reason.

## **ANOTHER SLAYER ACQUITTED**

J. H. BOWLSBY, WHO KILLS G. C. JENNINGS, NOT GUILTY.

Jury Frees Him Because of Insanity and Self-Defense-Murdered Man Wrecks Home.

ASTORIA, Or., Oct. 12 .- (Special.)-The Circuit Caurt jury in the case against J. H. Bowisby, of North Bend, Or., charged with the murder of G. C. Jennings on board the steamer Allance, while that vessel was lying at her wharf in this city on June 14, returned a verdict about 7:30 this average of the case was started. this evening of "not guilty on account of

There was practically no dispute re garding the evidence in the case. Bowls by admitted shooting Jennings, and the testimony showed that Jennings had been testimony showed that Jennings had been intimate with Bowlsby's wife. The defense was temporary insanity and self-defense, testimony being introduced to show that worry over relations between Jennings and Mrs. Bowlsby had caused the defendant to become mentally unbatanced, and also that Jennings had threatened to kill the defendant.

The "unwritten law" was also referred to in the arguments of the attorneys, but the court in his charge instructed the jury that there is no such thing as the unwritten law, and it must be given no consideration in arriving at a verdict.

consideration in arriving at a verdict. The jury was out only 30 minutes before reaching an agreement.

CRIMINALS SENT TO PRISON

Walla Walla Judge Passes Sentence on Convicted Men. WALLA WALLA, Wash., Oct. 12-

(Special.)-Judge Brents imposed sentences in the Superior Court. Charles Mills, convicted of forgery, was sentenced to the penitentiary for from one to 14 years. Richard McDonald, con-victed of grand larceny, got six months to 14 years. James Gordon, convicted of an attempt to commit criminal assault, was sentenced from one to eight years. Charles Wilson, the O. R. & N. section foreman, who gave liquor to Gus Swan son, a probated drunkard, was fined \$150. Charles Annindon, convicted of petty lar-ceny, was given four months in the county jall. A motion for a new trial was made by Charles Prather, convicted of tampering with a witness, and Judge Brents granted one week in which to file the necessary affidavits.

RED MEN FETED AT MEDFORD

Elaborate Parade Is Followed by Banquet With Plates for 900.

MEDFORD, Or., Oct. 12—(Special.)— The Improved Order of Red Men are holding 'pow wow' tonight. The exer-cises commenced in an elaborate parade headed by the Medford band and automobiles in which rode G. N. Faren, L. L. biles in which rode G. N. Faren, L. L. Jacobs, past and present great sachems. Judge H. K. Hanna, one of the oldest members of the Oregon tribes, Mayor Reddy and three prominent Red Men. Pocohontas tribe, from Grants Pass, and other visiting tribes from Valley towns, numbering in all about 500, and followed by 100 pale faces captured for initiation. There was an elaborate banquet at which corn and venison were served with covers for 900.

LEFT HUSBAND AND CHILDREN

Tacoma Woman Mysteriously Disappears. Leaving no Trace.

TACOMA. Wash., Oct. 12.-(Special.) Deserting her husband and two young children, Mrs. George Walton, 2915 North Twenty-fourth street, mysteriously dis uppeared Wednesday, leaving no word o explain her actions. Husband and neighbors both declare

here were no family quarrels which ould have led her to leave home and t s said she was extremely fond of the

Send Cavalry Band to Boise.

WALLA WALLA, Wash., Oct. 12.-WALLA WALLA, Wash., Oct. 12.— (Special.)—The necessary orders will be issued at once by the department head-quarters for the Fourteenth Cavalry band to be sent to Boise Barracks, Idaho. The band will leave at the close of the Walla Walla fair, and arrive in Boise in time to lead the parade at the open-ing of the Boise fair, October 22, and will return to Fort Walla Walla about No-vember 18.

Answers to "Kimono Man," but Is Not Murderer.

VISITING IN VALLEY TOWN

Linn County Officers Identify Person Whom Frank Tucker Charged With the Assassination of Harvey K. Brown.

ALBANY, Or., Oct. 12 -(Special.)-For a few hours today it was believed that the murderer of Harvey K. Brown was in hiding near Crawfordsville, in the footin hiding near Crawfordsville, in the foot-hills of Linn County, but tonight officers are satisfied that the man under surveil-lance knows nothing about the crime. His only connection with the dynamiting of Brown rests on the drunken "coffes-sion" of Frank Tucker, in jall at Baker City, which Tucker has since repudiated. For his name is Frank Wilson and he answers in a general way the descip-

partially gray.

Though the supposed discovery of Brown's murderer was kept very quiet here today it aroused considerable excitement among local officers.

ANOTHER ARREST AT RIPARIA

Prisoner Says He Knows Who Killed Ex-Sheriff Brown.

Ex-Sheriff Brown.

COLFAX, Wash., Oct. 11.—(Special.)—
Frank Page, arrested at Riparia because he was heard to boast that he knew all about the killing of ex-Sheriff Brown at Baker City, is in jail here and the authorities at Baker City have been notified. Whether this will prove another "pipe dream" remains to be seen. Page also stated that he knew who threw the man off the high bridge at Portiand last Spring. He says he could tell all about both incidents, but since his arrost he refuses to say anything about them. Page gives his age as 20, but looks to be \$5. He answers the description of the man who is suspected of having bought the kimono at Baker City.

**OBSERVE GOLDEN WEDDING** 

Friends of Hood River Couple Join With Them in Celebration.

HOOD RIVER, Or., Oct. 12 .- (Special)-Hale and hearty after 50 years of wedded life, Mr. and Mrs. William H. Perry of Hood River, celebrated answers in a general way the description of the "kimono man," who is supposed to have pulled the wire which sent Brown to his death.

This morning Sheriff Smith and his in the lodge rooms of Canby Post, G. deputies heard of a Frank Wilson, now A. R., of which Mr. Perry is a mem-

MR. AND MRS. W. H. PERRY, OF HOOD RIVER, WHO HAVE BEEN MARRIED FIFTY YEARS. 

staying at Crawfordsville, one of the most remote of the foothill towns. This man come from Kansas several years ago

called these circumstances and has since been keeping track of Wilson. Today he communiated with the Sheriff's office here and an investigation disclosed that this Wilson is now visiting at Crawfordsville, at the home of George Finley, a

wille, at the home of George Finley, a well-known man, on whose ranch he was employed for a long time before he left for Eastern Oregon.

A fact which helped establish the identity of Wilson was that when he was in this city on his way to Crawfordsville last week he called at the Sheriff's office here and paid some delinquent faxes on land near Crawfordsville assessed to "W. F. Wilson." He remarked then that he was on his way to visit George Finley. was on his way to visit George Finley, at Crawfordsville. The murderer of Harvey Brown would not have been likely to tell the Sheriff where he could be found the next few weeks.

Inquiry at Crawfordsville elicits the information that Wilson was never known to have been a member of the Western Federation of Miners or to have formed any other associations which might have involved him in any way with the Baker

Fountain Erected at Oregon City Through Efforts of the Humane Society.

OREGON CITY, Or., Oct. 12 .-(Special.)-In a convenient corof the City Park, at Seventh and Center streets, a new drinking fountain was recently instelled through the efforts of the Clackamas County Humane Soclety. The fountain not only adds to the beauty of the park, but is a great boon to the farmers of the county. The expense was defrayed equally by the Humane Society and the municipal-

ity. The fountain is the second that the society has obtained in Oregon City in the last two years and its dimensions are: Height to top of center standard, seven feet, three inches; height to top of basin, four feet, three inches; diameter of basin, four feet. seven inches; depth of basin, seventeen inches; base, thirtythree and one-half inches square. The fountain has a massive appearance and is handsomely finished in bronze.

ber and under whose auspices the

celebration was given.

At 12 o'clock noon Mr. and Mrs.

Perry, in the presence of a large asman come from Kansas several years ago and worked in the vicinity of Brownsyille and Crawfordsyflle. Three years ago he went to Eastern Oregon. He appeared in Brownsville a few days after the Brown murder, got a shave at a barber shop, remarking he had just come from Eastern Oregon, and hastily left for Crawfordsylle.

When Tucker's confession appeared in the papers an officer at Brownsylle recalled these circumstances and has since presented with a gold-headed cane, while his wife was the recipient of a very handsome umbrella, both being the gift of Canby Post and presented by A. C. Buck.

Commander and Mrs. Perry were first married at Frankfort, Ky., Oct. 6, 1857. The former was born in Henry County, Kentucky, December 5, 1835, and the latter at Mobile, Ala., July 27, 1837. In all, eight children were born to them, four of whom are living three of them being sons, one of whom resides in Portland, one in Seattle and one in Oakland, Cal. The only surviving daughter is the wife of E. E. Lyon, a well known fruitgrower at Hood River. Mr. and Mrs. Perry have 13 grandchildren.

In 1863 Mr. Perry enlisted is the 30th Kentucky Mounted Infantry and was mustered out April 18, 1865. Almost immediately on being discharged from the army seems of the service of the close of the irrigation season next Spring. He spent two months this Summer in the Bast, and says that every where the people are inquiring about the great irrigation projects of Oregon, Washington and Idaho.

"Our entire Northwest." says Mr. Hinkle, "is about to reap the fruits of what our mewspapers and magazines have done for us gratis. I refer particularly to the splendid articles on irrigation that have come from the pens of able engineers employed on the various governmental projects. As a rule these men know wish the gray are talking about, and their articles of the common of the common

immediately on being discharged the army, accompanied by his wife he went to California, where he lived for ten years in Sonoma City, From there he went to Nevada and entered the employ of the Southern Pa-cific Railroad at Carlin, Elko County. In 1896, Mr. and Mrs. Perry came to Hood River, where the former took up the occupation of general farming, but

clal.)—Wagers are being made here, one of them \$1000 and another \$2000, on the result of the Supreme Court's decision as to the validity of the leg islative act dividing Chehalis County An opinion is expected to be handed down the coming week.

Child Seriously Hurt by Blcyclist.

VANCOUVER, Wash., Oct. 12 .- (Spe cial.) — Elfreda Medaris, 8-year-old daughter of Sherman Medaris, was run over by a bleyclist and both bones of a leg broken. She was otherwise bruised. J. L. McGoldrick, who was riding the bicycle, says the child falled to see him.

Contract for Big Ditch in Umatilla County.

EASTERN PEOPLE COMING

Desert Land on River Near Echo to Be Made Fruitful for Eastern Settlers-Deep Interest in Northwest States.

PENDLETON, Or., Oct. 12.—(Special.)—An agreement was signed today between the Hinkle Ditch Company, of Pendleton, and the Newport Land & Construction Company, of Hermiston, whereby the latter company will undertake the enlargement of the Hinkle ditch between the intake at the Umatilla River above Echo and the drop at Butte Creek. The company will also enrage and extend the "low line" ditch from Butter Creek to a body of land opposite Hermiston. Construction work is to begin October 25 and continue until completed. The principal work will completed. The principal work will consist of the enlargement of that portion of the ditch lying between W. I. Walton's piace and Butter Creek, a distance of five miles.

First Ditch in County.

The Hinkle ditch is the first large The Hinkle ditch is the first large Irrigation canal dug in Umatilia County. G. W. Hunt, the railroad contractor, dug the first six miles during the years 1891-2. Later the Hinkle Ditch Company took charge.

In the Fall of 1904 the Butter Creek Water Company undertook the extension of the main canal to Butter Creek. The Hunt interests have since been The Hunt interests have since been merged in the Hinkle Ditch Company

The Hunt interests have since been merged in the Hinkle Ditch Company and the entire project is now controlled by the latter company.

The entire work consists of 12 miles of main ditch between the intake at a point on the south side of the Umatilla River, about a mile above Echo, and the drop at Butter Creek. The first seven miles has a bottom width of 30 feet and carries water to a depth of four feet. The last five miles will have a bottom width of 29 feet and carry about the same depth of water. At the drop the main lines branch, one lateral continuing to the intersection of the Butter Creek channel, the other dropping 50 feet at Butter Creek and then centinuing on the "low line" across Butter Creek bottom and out to O. D. Teel's desert claim, from the lower side of which it branches again, one lateral reaching land on the west bank of the Umatilla, two miles west of Hermiston, the other continuing on a higher eleton, the other continuing on a higher ele-vation and returning to the Umatilla River at a point a few miles above Uma-

Last Spring the Hinkle Ditch Company Last Spring the Hinkie Ditch Company expended about \$10,000 on extensive laterals beyond Butter Creek. The Newport contract contemplates the completion of all masonry work to develop the ditch system to its fullest possibility.

The contract contemplates that the Newport Land & Construction Company purchase from the Hinkie Ditch Company a large body of land on the west side of the Umatilia River, about two miles from Hermiston.

Bring Many Settlers.

J. T. Hinkle, president of the company says his company has every assurance that fully 200 Eastern families will be settled upon small tracts of land on Lower Butter Creek and along the Uma-

tific tests and actual experience upon ap-parently hopeless deserts, both in this country and upon the Continent of Eu-

TACOMA TAXES ARE BOOSTED

General Tax Levy to Be About 40 Mills-County Levy 6 Mills.

TACOMA, Wash., Oct. 12.—(Special.)

—The general tax levy will be about
40 mills in spite of the fact that property valuations in Pierce County were hoisted this year by the County Assessors and Board & Equalization over \$9,000,000. The county levy will probably be fixed at 6 mills. County Assessor Rallsback is sorely disappointed over the large increases all along the line, but one of the Commissioners said today the Board could show justification for increasing the county levy to 5 mills from 5.10 last year. valuations in Pierce County

Arm Cut Off by Woodsaw.

DISPLAY AT HARNEY COUNTY FAIR ASTONISHING.

Sixty-seven Varieties Shown, With Many Other Kinds of Fruit. Stock Display and Horse Races.

BURNS, Or., Oct. 12.—(Special.)—The Harney County Fair has been in progress since Tuesday of this week with delightsince Tuesday of this week with delightful weather, warm days and cool nights, and the result is a spiendid attendance from all parts of the county and a goodly number from Grant and Malheur Counties. There is an excellent half-mile racetrack here and the grounds are provided with good stocksheds, stables and a roomy pavilion; also a well-built, commodious grandstand, so that the arrangements for a successful fair are very good for an interior county.

The showing in the pavilion is of par-

The showing in the pavilion is of par-ticular pride to Harney County and would be a source of surprise to those who are not familiar with this soil and climate. There are 67 varieties of apples on ex-hibition, of size, coloring, texture and flavor equal to the best seen at Hood River or through the Willamette Valley. The finest apple displayed is the Spokane Beauty, some of them measuring 19 inches in circumference, but there are numerous

There are ten varieties of pears, all very fine; nine varieties of plums; seven of crabs and this fruit grows to great perfection in this climate; 11 of prunes, some quinces, nine of peaches of standard varieties and some seedlings raised in this county. The display of preserves embraces all kinds usually found and altogether the showing is a surprise even

to Harney County people.

In the vegetable lines, the list is complete and the samples of cabbages, potatoes, tomatoes, squash, beets, etc. are so large that an accurate account of their asurement and weight would endange the public estimate of The Oregonian's veracity. The results of dry land farming, so successfully illustrated in this exhibit, are very encouraging for the future of Harney County.

DEAD OF THE NORTHWEST

Henry Rust, Pioneer Brewer.

BAKER CITY, Or., Oct. 12 .- (Spe cial)—Henry Rust, ploneer citizen and Brewer of Baker City, died at his home last Monday evening after an III. ness that confined him to his bed for several weeks. He was over 70 years

of age and leaves a wife. Henry Rust was a native of Germany and came to America at an early ge. During the civil war he enlisted the army of the North and hefore he close he ranked a quartermaster. For valiant services he was subsequently pensioned by a special act of Congress. He came to Baker county

Congress. He came to Baker county in the '50s and settled in the mining camp of Clark's Creek, where he con-ducted a brewery and saloon. A few years after, about 1875, he removed to Baker City and engaged in the brew ery business, which he continued until about five years ago, when he retired from active business life. He was a public spirited citizen and his death is deeply regretted.

The building, which will be six stories in height, will cover three lots. It is understood that the hotel will be built of brick. The hotels in the city have at the present time to turn away guests one or two nights a week.

## Charcoal Kills **Bad Breath**

Bad Odor of Indigestion, Smoking, Drinking or Eating Can Be

Instantly Stopped. Sample Package Mailed Free. Other people notice year bad breath where you would not notice it at all It is nauseating to other people to stand before them and while you are talking, give them a while or two of your bad breath. It usually comes from food fermenting on your stomach. Sometimes you have it in the morning,—that awful sour, billous, bad breath. You can stop

that at once by swallowing one or two

Stuart Charcoal Lozenges, the most powerful gas and odor absorbers ever prepared.

Sometimes your meals will reveal themsolvestimes your means will reveal them-selves in your breath to those who talk with you. "You've had onlone," or "You've been eating cabbage," and all of a sudden you beich in the face of your friend. Charcoal is a wonderful absorber of odors, as every one knows. That is why Stuart's Charcoal Lozenges are so quick to stop all gases and odors are so quick to stop all gases and odors of odorous foods, or gas from indiges-

conceal the odor, and never absorb the gas that causes the odor. Besides, the very fact of using them reveals the rea-son for their use. Stuart's Charcoal very fact of using them reveals the rea-son for their use. Stuart's Charcoal Lozenges in the first place stop for good all sour brash and belching of gas, and make your breath pure, fresh and sweet, just after you've eaten. Then no one will turn his face away from you when

will furn his face away from you when you breathe or talk; your breath will be pure and fresh, and besides your food will tasts so much better to you at your next meal. Just try it.

Charcoal does other wonderful things, too. It carries away from your stomach and intestines, all the impurities there massed together and which causes the bad breath. Charcoal is a purifier as well. massed together and which causes the bad breath. Charcoal is a purifier as well

as an absorber. as an absorber.

Charcoal is now by far the best, most easy and mild laxative known. A whole boxful will do no harm; in fact, the more you take the better. Stuart's Charcoal Lozenges are made of pure willow charcoal and mixed with just a faint flavor of honey to make them palatable for you, but not too sweet. You just for you, but not too sweet. chew them like candy. They are absolute-

ly harmless. Get a new, pure, sweet breath, freshen your stomach for your next meal, and keep the intestines in good working order. These two things are the secret of good health and long life. You can get all the charcoal necessary to do these wonderful but simple things by getting Stuart's Charcoal Lozenges. We want you to test these little wonder workers yourself before you buy them. So send us your full name and address for a free sample of Stuart's Charcoal Lozenges. Then after you have tried the sample, and been convinced, go to your druggist and get a Esc box of them. You'll feel better all over, more comfortable, and "cleaner" inside.
