UNIVERSALIST. of the Good Tidings, East Eighth t Couch streets-Rev. James D. THE IMPRESSIONS OF ONE WHO PURCHASED PROPERTY LAST MARCH AND WENT BACK TO LOOK AT IT LAST WEEK. THE WORDS OF THE PURCHASER ARE ILLUSTRATED HEREWITH

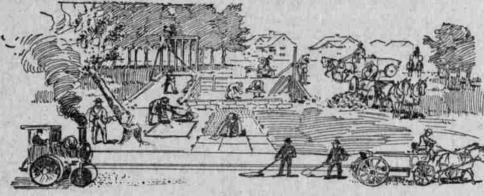

New homes in Rose City Park are starting every week. The building of houses is far in excess of our rosiest anticipations. The fine, new buildings, surrounded by all that is best in the line of improvements, have developed a perfectly ideal residence location that is regarded by nearly everybody as the best in the city.

MORNING

## No other section of city is growing like Rose City Park

It really seems as though the entire community were springing up as if by magic. First, the clearing began; then the graders; then the cement men; then the streetcar; now the builders. It's wonderful.

This has all added tremendously to the value of Rose City Park investments. One man paid his first payment, then a few monthly installments, and cleared two hundred per cent on the small amount he had invested.

## Absolutely, not a single purchase contract forfeited

NOON

The most highly developed residence section of the entire Northwest has no more to brag about than Rose City Park. In one respect, they all have infinitely less; they have not the scenic grandeur that surrounds Rose City Park. Low prices; easy terms; quick profits and big ones. Next year you will not be able to buy Rose City Park lots for anywhere near what you can get them for right now.

# We are waiting for somebody to come and get that \$1000

On September 5 we offered a reward of \$1000 to any person for proof that any statement we have published about Bayocean Park was not correct.

If we were misrepresenting, that would be an easy way to get \$1000, wouldn't it?

But nobody has tried to get it. We told the truth.

Now that you know it is true that Bayocean Park on Tillamook Bay is the natural place for the greatest Summer resort on the Pacific Coast, there can be no reason for another day's hesitation.

Trainloads of people will soon be reaching Tillamook Bay.

The sure way to get there first is to secure your interest in Bayocean Park now. The late comers will repay you.

> I don't mean to say that any particular good fortune will come to you in simply making my acquaintance. What I do mean to say is that by meeting me, you will become more familiar with Irvington Park. This much, I am sure, will be good fortune for you. If once you see Irvington Park and do not take a couple of those lots, it will be because I am a poor salesman or Irvington Park is not what I represent it to be. Of the two, I am more inclined to the former belief. Meet me, at any rate, and then we can talk it over together. Take Alberta car to end; walk three blocks north to office.
