THE BUCK'S HOT BLAST—THE ECONOMICAL HEATER THAT WILL BURN ANY KIND OF FUEL

The Heater that we will guarantee to you as the most economical and most satisfactory that it is possible to buy. Ask any person who uses a Buck's hot-blast—they will tell you of their wonderful fuel-saving and heating qualities. This heater will produce more heat for less money than any other stove in the world, because they consume perfectly the cheapest of fuel—burn the carbons as well as the gases of hard coal, soft coal, slack, siftings or wood. They are without doubt the handsomest heater made—the most cleanly. Dust and dirt are reduced to a minimum. Require but little attention—will hold fire for forty-eight hours. Fuel-saving at the present time is more important than ever. A Buck's hot-blast will reduce your fuel expenditures one-third. We shall be glad to show you these truly wonderful heating stoves. They are made in many practical sizes. We offer you on any selection from our line the terms—\$1.00 DOWN \$1.00 WEEK.
