Beginning Monday and Continuing Throughout the Week

As ever, the inspiration comes from Paris and there is an exquisite French touch to the extreme novelties that is truly delightful. We call especial attention to superb conceptions in gowns and dress hats—absolutely exclusive patterns, only one of a kind. We are sole agents for the famous "Trefousse" French kid gloves. "Smart Set," "La Vida" and "C. B. a la Spirite" Corsets—sold only by Lipman, Wolfe & Co.—insure the proper fitting of the gown. For the lesser details of correct apparel, Lipman-Wolfe's, as usual, appeals to women who desire good merchandise of simple elegance and sure appeal—opera scarfs and shawls, neckwear, feather boas, fans, handkerchiefs, opera coats, silk hosiery, opera glasses and other jewelry, petticoats, French lingerie, etc.

Where Shall I Buy Real Kid Gloves? Lovely Millinery for Evening Wear

"Trefousse" Gloves are real French kid—not the lambskin gloves that some stores try to sell as kid. "Trefousse" Gloves are the best gloves and the best-known gloves in the world, sold only by one authorized store of the highest reputation in each city, such as B. Altman & Co., New York; and the Bon Marche, Paris. Lipman, Wolfe & Co. are the sole Portland agents. We also sell Dent and Fownes Gloves and our own famous makes. Prices are no higher than anywhere else, in fact in many cases where our prices are the same as others our qualities are better. We never sell lambskin gloves as kid, as some glove stores do. It is like selling cotton for linen.

Our saleswomen know how to fit gloves, and they are particular to see that all gloves are perfectly fitted before the purchaser leaves the store.
