

# The Opportunity of a Lifetime

**T**HE month just past was the greatest this firm has ever known. We do not intend to stop at that, however, for we feel that we are just beginning to get our share out of Oregon's banner year. With the bulk of Oregon's immense crop to be sold during this month, think of the great amount of gold about to come into the state. So November must be our banner month, and we are offering inducements to make it so. The articles shown here together with the immense reductions cannot but attract the thrifty housewife.
