

GADSBYS' GREAT FURNITURE SALE

CONTINUES—THE PRICES ARE IN MANY CASES ONE HALF REGULAR

A moment's consideration will show you why these prices are so low. We have, in addition to our regular stock, six carloads of new goods delayed in transit, increasing our stock to proportions unduly large and unwieldy. We do not wish to hold them upon our floors a day longer than is necessary, hence we make these prices to clear them out. They are not old style, but new designs, bright and fresh from the factory, as a glance will show you. Come in Monday or as early as you can this week, and make your choice. Scan the general list of money-saving chances.

MAJESTIC Range

Malleable charcoal iron; in baking, water heating, saving of fuel, lasting qualities, it excels all other ranges made.

WILL NOT CRACK, RUST OR CRYSTALLIZE

In constructing the Majestic, the manufacturer now use charcoal iron in place of steel. This new feature adds 300 per cent to the life of the range, as it resists rust and crystallization in any climate, a feature not possessed in steel.

All breakable parts are made of malleable iron—material that cannot crack or break.
