How Can I Tell Which Advertiser Is Right?

Every advertiser claims his prices are lowest and his goods are best. But that does not make them so. Reputation is the final authority. There are five Corsets of reputation in America—every woman knows them. They are:

**"THE LIPMAN-WOLFE SCHOOL OF STYLE" OFFERS
100 Smart Tailored Suits
Vals. to \$50 at \$27.85**

There are just 100 of these suits—perhaps the most sensational suit bargain of the season. They represent the sample suits of a great New York manufacturer, who is through using them for exhibition purposes, and this gives the women of Portland the greatest suit bargain of the year. We feel assured that such handsome suits will not be offered again this season at such a price, and as the styles are fixed, you can select with perfect confidence. We might dwell indefinitely on these wonderful values but we prefer to let the garments speak for themselves.

The suits come in rich, plain broadcloths and fancy mixed materials. Colors black, gray, navy, red, brown, green, dark garnet, checks and the modish stripes. Everyone of the season's diverse styles is represented—long or short coats, tight-fitting cut-aways, pony effects, etc.; long and three-quarter sleeves.

See window display. Better still, be very early Monday morning and see the suits. We cannot guarantee to have any suit left in the afternoon. **\$27.85**

La Vida Corsets

are really merchant-tailored. The styles are at least a season earlier than the popular-priced goods and are naturally very advanced. All the extreme Parisian ideas are shown vastly improved in La Vidas. Many of these models are never made up into lower-priced goods, so that the exclusive woman can secure an individuality in her figure. All the fabrics in La Vidas are imported from France and England, where the best corset materials in the world are produced. Domestic cloths are vastly inferior to the foreign fabrics in this class of materials, as they stretch too easily and lack stability of body. Some of the finer qualities are hand-embroidered on silk or linen, or silk and linen grounds. The trimmings (laces, plush steel linings, etc.) are exquisitely quilted.
