BASIS OF ALL WEALTH
City Property and Land.
The EAST SIDE has the GREATEST
population, is growing the most RAP-
IDLY and the GREATER PORTLAND
MUST and WILL be there. In 1906
there were 531 residences built on the
EAST SIDE to 100 on the West Side.
Portland is attracting more atten-
tion than any city on the Coast and is
undergoing a MIGHTY TRANSFOR-
MATION and in the next ten years
will likely make more PROGRESS than
it has in its entire past.

HOLLADAY'S ADDITION
Is the geographical center of the city,
and is the most DESIRABLE residence
district and much of this will become
BUSINESS property. Do not overlook
these facts when making investments,
and call and inspect the property; no
seeing is believing.

FIRM
The shrewd business man in providing
for his family places a considerable por-
tion of his wealth in real estate. Money
so invested can readily be reverted into
cash should extreme financial conditions
so require. The man who invests in

VERNON LORRINTON
on any other property handled by us may
so consider himself, because he places his
money in a tangible asset whereon ready
cash can be quickly realized. The peo-
ple who invested in Vernon during the
past two years will tell you that their
property is worth nearly double the price
they paid for it. Why? Because it is
a close in, improved residence district.
To sell at the same price as ever, viz
\$300 to \$450 per lot, annual payments down,
balance in monthly installments.
Lorrinton lots are \$175 to \$250 each, sell-
ing at \$5 down and \$5 per month.
Take W. W. car at 3d and Yamhill to get
to Lorrinton. You know the way.

SAFETY.
Your money invested in several properties
we have to offer is always safe, and what
is more will earn you per cent per annum.
There is and you receive it every month.
To reason why you should make loans at
7 per cent, there is no estate, way below
actual value, but owners must realize some-
thing for the 7000 depositors of the defunct
bank which they had invested in real estate;
hundreds have since done so. Our
party who lost a good many thousands
should have purchased a handsome business
property, but now he will take 20 cents on
the dollar. These offerings vary from \$3500
to \$1000, and the terms are easy. In fact
they are nothing more than "bargain
counters" and will sell this week.
Call early Monday morning.
