

PRE-HOLIDAY SALE TO CONTINUE

OFFERING REMARKABLE BARGAINS IN ALL DEPARTMENTS

Commencing tomorrow, we inaugurate a second week of this most important event in household merchandising—another six days in which the money-saving opportunities will be as liberal in pricings and the gathering of bargains as broad in assortment as our offerings of the past week, in which the enthusiasm displayed by the economical buying public was sufficient to convince that our efforts in making this the most generous and notable of this year's sales were doubly appreciated. Again the efforts of each and every department will be centered in the offering of such remarkable bargains as to prompt those who contemplate immediate selection of homefurnishings and Holiday gifts. Besides the following items, there are hundreds of others that suggest timely and profitable buying. Mail orders will receive our prompt attention. If desired, selections will be held for Christmas delivery. No exchanges made on articles included in the pre-Holiday sale.
