DEATH THREAT FOR MAYOR

Greater Pittsburg's Executive Is Guarded Against Violence.

PITTSBURG, Dec. 14.—Mayor George W. Guthrie, of Greater Pittsburg, is in receipt of a letter threatening him with death unless his policy is reversed immediately. Due precaution against violence has been taken. Since the constitutionality of the annexation of Allegheny City to Pittsburg was affirmed by the Supreme Court of the

Booming Price of Double-Eagles.

NEW YORK, Dec. 14.—The fact that the new \$20 gold pieces are very scarce and that collectors are already paying a large premium for them has started a rumor among the young men of Wall street that there is more than \$20 worth of gold in the coins. For that reason there is a scramble to obtain the new coins. Only a small number were sent to the treasury in New York, and they were

quickly bought up by collectors. As high as \$25 is being offered for the coins. When the next issue is made there will be several changes in the coins, and this has made the demand from collectors and dealers. However, the Wall-street young men still believe that there is more gold in the new coins than there should be.

The J. K. Gill Company will be open evenings until Christmas day, and welcomes the Holiday shopper with a great display of Holiday gifts. Come and let us offer a suggestion.

HOWES GETS FIVE YEARS

Governor Chamberlain and Mayor Lane Fail to Have Influence.

LOS ANGELES, Cal., Dec. 14.—C. R. Howes, a young man convicted of forgery in the Superior Court several days ago, was today sentenced to five years in Folsom prison. Letters of intercession from Governor Chamberlain, of Oregon, and Mayor Lane, of Portland, failed to influence the judgment imposed by Judge B. N.

Smith, who had received many appeals for clemency in the case.

TO NAME JUDGE TUESDAY

Governor Will Then Appoint Judge Frazer's Successor.

There will be only two days more of suspense for the various candidates for appointment to the Circuit Judgeship in Multnomah county to succeed the late Judge A. L. Frazer. Governor Chamberlain said last night that he would announce his appointment not later than Tuesday of this week. Many

expected the successor to Judge Frazer would be named yesterday.

"I have not made up my mind who I will name," replied Governor Chamberlain last night, when asked who the probable appointee would be. "I am trying to make up my mind who is the best man for the place among those suggested and will make a selection not later than Tuesday." It is understood that R. A. Lister is in the lead for the appointment if the Governor should decide to name a Republican. In the North Central States there is a percentage of 30 unmarried men out of every 100, to 19.3 of unmarried women.
