Sensational Skirt Sale

Vals. to \$10 at \$4.79

While we portray only five of the styles in this great sale, bear in mind that they are merely a representation and that there are many others in which the style and the quality show a similar superiority to the general run of \$10 skirts. The materials are of our selection—the specifications as to style and workmanship planned by our own designers. The offering is on an immense scale and contains several thousand skirts of the most fashionable make.

They're made of imported panama wide range of colorings. Made up in the new bluffed, corded, banded and plain models. In fact every new idea of the fashion numbers is shown in this vast assortment, so you need not limit yourself to the styles illustrated.

Not a skirt in the entire lot that could be made and sold in the ordinary way of retailing for less than \$8.00, but a great many belong to the regular \$12.00 class. We hope you will feel interested in this splendid offer and make a point to investigate, for we never sold finer skirts for... **\$4.79**
