MINISTERIAL EVANGELICAL UNION.—The Ministerial Evangelical Union, composed of churches of the Evangelical Association and the United Evangelical branch, will hold an important meeting Monday in the German Church, Eleventh and Clay streets. Questions of a closer union between these two branches of the Evangelical churches will be considered. In advance of organic union it is desired to establish the Code of Precepts not only in Portland, but in Oregon. In the East the two branches are slow to respond to the demands for organic union. It is the purpose of the conference to meet for three years, and hence action is a long time in the future so far as the commissions are concerned. It is probable that the two branches of the conference would go together, if there were any way it could be brought about without actually defying the authority of the two branches, which will not be done, but it is hoped to get closer together on several things in Portland and in the state.

NEW HOME TRAINING CIRCLES—Two new home training circles were organized Friday, one at the Clinton Kelly and the other at the Williams avenue schoolhouse. At the Clinton Kelly building Dr. Little Gray talked to the mothers in the afternoon on "Contagious Diseases and their Prevention," giving many valuable suggestions. Following the address Home Training Circle No. 2 was organized, with the following officers: President, Mrs. E. A. Frazer; vice-president, Mrs. T. G. Perrell; secretary, Mrs. M. Leo; treasurer, Mrs. Huro; members executive committee, Mrs. W. M. Laughton and Miss Laura Thompson. The next meeting will be held at the call of the executive committee. At the Williams avenue schoolhouse Mrs. Millie R. Turnbull addressed a large audience of mothers on the "Problems of the City Child," placing emphasis on the need of playgrounds and wholesome amusement for children. Home only a temporary organization of Home Training Circle No. 10 was formed. Another meeting will be held to perfect the organization. Next Friday afternoon circles will be organized at the Thompson, Sellwood and Holman schoolhouses.

DRONOP ALUMNI TO HOLD BANQUET.—The Portland Alumni Association of the University of Oregon will hold its annual banquet Tuesday, January 21, at the Commercial Club. The Alumni generally and friends of the university are invited to attend. The annual business meeting will also be held and a discussion of the general good of the university will be held, in which President Campbell and other speakers will take part. The committee on arrangements is composed of R. C. Jakway, Dr. H. L. Kenney and E. N. Blythe. Refreshments and invitations should notify this committee.

GITTINGS' MORTGAGE PAID.—The family of the late John W. Gittings now have a home which is their own. The relief committee of the police department paid off the mortgage on the place, amounting to \$300, yesterday forenoon. Mrs. Gittings is still at the Good Samaritan hospital, where she gave birth to a daughter on Thursday. Before she is taken to the modest home in Albina, the place will be made habitable. Upon the death of her husband, the property goes to the four children, under the terms of a deed filed by the police with the County Clerk's office.

WILL ESTABLISH FLOUR MILL.—The Board of Trade is in receipt of inquiries from a large Eastern milling company, regarding the establishment of a flour mill in one of the interior towns of this state, where such a plant is not already in operation, or where an additional mill would be desirable. Any towns wishing to secure such a mill should communicate with the Board of Trade, giving facts as to the suitability of the section for such an enterprise.

DRUGGISTS TAKE WARNING.—The Board of Pharmacy will hold its examination in Portland Tuesday, March 10, 1908. Druggists throughout the state not complying with the Pharmacy Law will be vigorously prosecuted. Non-licentiates and non-licentiates in pharmacy having had three or four years' experience, to avoid arrest should at once make application with the secretary, Hon. George C. Kincaid, of the Dalles.

REPEAT THE "MESSIAH"—At the morning service in Taylor Street Church, next Sunday, January 20, Handel's "Messiah" will be rendered by a choir of five voices and an orchestra of fifteen pieces. The oratorio will be given under the direction of Professor W. H. Boyer. It is being repeated at the request of the official board of the church.

SECURE DENVER WORKERS.—Miss Ida Mae DeWitt, of Denver, Colo., was being engaged by the official board of Taylor Street Church to assist the pastor in the philanthropic work of that church. Miss DeWitt was formerly superintendent of the Deaconess Home in Denver and has had wide experience in missionary and charitable enterprises.

BOARD OF TRADE MEETING.—There will be a meeting of the executive committee of the Board of Trade on Tuesday afternoon at 4 o'clock in the rooms of the board. Several matters of importance will be considered. Captain R. Chilcott will preside.

OWNER SOUGHT FOR STAMPS.—While passing out of a Morrison street car on the East Side a few days before Christmas, a young woman dropped an envelope containing several dollars' worth of postage stamps. The package was picked up by Mrs. Ostrander of 333 East Thirty-second street, but before it could be restored to its owner the car had gone on. Mrs. Ostrander retained the stamps, thinking she might again meet the owner, but she failed to find any trace of the young woman and yesterday decided to leave the package with Postmaster Minto, where it can be obtained by the owner on proper identification of the envelope and its contents.

MILLS' PLAN INDORSED.—Being directly interested in securing work for the unemployed, the Federated Trades Council Friday night heartily indorsed the plan proposed by Walter Thomas Mills, of Seattle, for providing employment for the idle men of this city. A committee was appointed to confer with Mr. Mills and to assist in every way to place his scheme on a practical working basis. Many of the laboring men affiliated with the Trades Council tonight will attend the mass meeting at the White Temple, when Mr. Mills will further explain his plan and what it means to the men who are out of work.

DRUGS SOLDERS ARRESTED.—Privates Harry Clark and John Kerm, of the Fourth United States Field Artillery, set forth to recruit a pair of regulation jags yesterday morning. Their pay, amounting to \$15, proved insufficient, and they were engaged in bartering Government shirts when picked up by the police. Commissioner with Vancouver Barracks developed the fact that they were absent from the garrison without leave. The two were held at the police station until noon, when a squad arrived from the barracks and transferred the drunken brags to the guardhouse.

DEATH OF T. P. GREENER.—Word was received yesterday of the death at North Yakima of Theodore Paul Greener, son of the late Professor E. Greener of this city. Mr. Greener was until recently assistant city engineer of the Portland Northern Railway Company, but resigned to travel for his health. He was visiting with relatives at North Yakima when he died of pneumonia at 3 o'clock. The body will be shipped to Portland for burial. It will be accompanied by the mother and by a brother, Emil.

GERMAN DELEGATES WILL MEET.—A meeting of the delegates of the consolidated German speaking societies of the city will be held today at 8 o'clock at the General German Aid Society on Eleventh, near Morrison streets, at 3 P. M. The constitution and by-laws have been revised by a committee of 29 German societies, and the remaining one is expected to join the movement in a few days. This meeting is for the purpose of forming a new organization and electing officers for the ensuing year.

DEATH OF MRS. S. P. LAWRENCE.—Mrs. Susan P. Lawrence, mother of S. B. Lawrence, 111 East Ankeny street, died yesterday at the home of her daughter, Mrs. L. Y. Ehrlich, McMinnville. She was 80 years old. The body will be brought to Portland for interment.

Mayor Gives Council Views on Vacation of Streets.

SHOULD EXACT BACK RENT

Executive Opposes Giving Exclusive Use of Eight Thoroughfares to the Inman-Poulsen Lumber Company.

In a communication to the City Council, filed yesterday, Mayor Lane calls the attention of that body to the application for the vacation of eight East Side streets, which is being made by the Inman-Poulsen Lumber Company, action on which, he says, is to be taken at the Council meeting next Wednesday. He says that he favors keeping those streets open, if possible, as they are near the river, and if opened would give access to the waterfront, but in case the mill company must have them, he desires that rental be charged from this time forth, and that back rental for all the years the streets have been used by the firm be demanded.

Mayor Lane has been compiling a list of streets that are now being used by private corporations, for which the city receives nothing. The list is incomplete as yet. In view of the fact that Portland has, in his opinion, more streets than can ever be properly cared for, he said yesterday that it might be a good plan to exact rental from infringing concerns and demand the vacation of the streets. Mayor Lane's communication to the City Council follows:

Text of the Message. Gentlemen—At the meeting of the City Council, which is to be held on January 22, 1908, your honorable body will have under consideration a petition for the vacation of certain portions of eight streets upon the East Side of the city. The streets which are asked for are as follows: A portion each of East First street, East Second street, Third street, East Sherman street, East Lincoln street, East Grant street, East Caruthers street and Division street. The petitioner for such vacations is a well-known firm engaged in the manufacture of lumber. In forming the petition of those vacations, I would respectfully call your attention to certain facts pertaining to them, which in my opinion are worthy of your serious consideration.

The importance which attaches to this transaction will be realized when it is noted that the vacations asked for amount in the aggregate to 42,500 square feet of land, the equivalent of more than 82 city lots, having a market value of perhaps not less than \$100,000. The total valuation of, say, \$2,000 at a low estimate. It may also be urged that each of these streets terminates in the river and affords a means of access to the city's harbor, which adds to the value of the streets in addition to their ordinary value as realty.

All other property situated upon those streets will, of necessity, and for all time, be cut off from an outlet to the harbor, and necessarily will suffer loss of value should these vacations be made.

Advocates Lease Plan. Such being the case, then I would suggest that if it is considered to be desirable for the city to have those streets, and necessary for the petitioners to secure to themselves the exclusive use of the streets, that the city should lease such use for a certain definite and specified period of time, in return for which privilege they be required to pay to the city a just and reasonable sum each year for the use of the same.

I hope that if you have considered presumptuous if I further suggest that inasmuch as the petitioners have had the unrestricted and sole use of those streets for a number of years, that it will be no more than fair to require of them, as a condition of their lease, that they, whether these vacations are made or not.

In conclusion, I would say that if it cannot be shown that the vacations of these streets are to prove of permanent and decided benefit to the city, and of any advantage which may accrue to the petitioners from such vacations, that the application should be denied. In the name of the City of Portland, therefore, I do hereby protest against the vacation of the streets herein named by me and sought for by these petitioners.

Respectfully, HARRY LANE, Mayor.

Votes Vacation Ordinance. Mayor Lane also filed a veto message yesterday, as follows: To the Honorable City Council: Gentlemen—I return herewith Ordinance No. 1215 not approved.

This is an ordinance which provides for the vacation of a strip of Williams avenue some nine feet wide, abutting upon lots fourteen (14) and fifteen (15) Albina Homestead Addition. In respect to this I have to say that inasmuch as the city up until this time has not secured a title to a corresponding strip of land, and that it should fail to do so, the street at this point would be cut 12 feet in width. I would suggest, that before the city part with its right to this strip of land that it require a good and sufficient deed to an equal portion of the strip across the street, and not rest its right to the same to the uncertain residue of a deed to quiet such title, by some supposed to have been acquired by usage of such land for street purposes.

Respectfully, HARRY LANE, Mayor.
