WASHINGTON, June 3. Attorney General Hawes and Postmaster General Brownell, returning from the Pacific Coast, arrived here yesterday. The Attorney General, who has been in the West, reported to the President that conditions were in the interests of the country. The Postmaster General was en route to San Francisco.

DILIGENCE A TREASURE BAR

Digging through California has yielded its fair share of gold. The methods used are not scientific, but they are probably worth as much in gold as the scientific methods, and the average miner is happier about it.
