We Offer This Invitation and Announcement

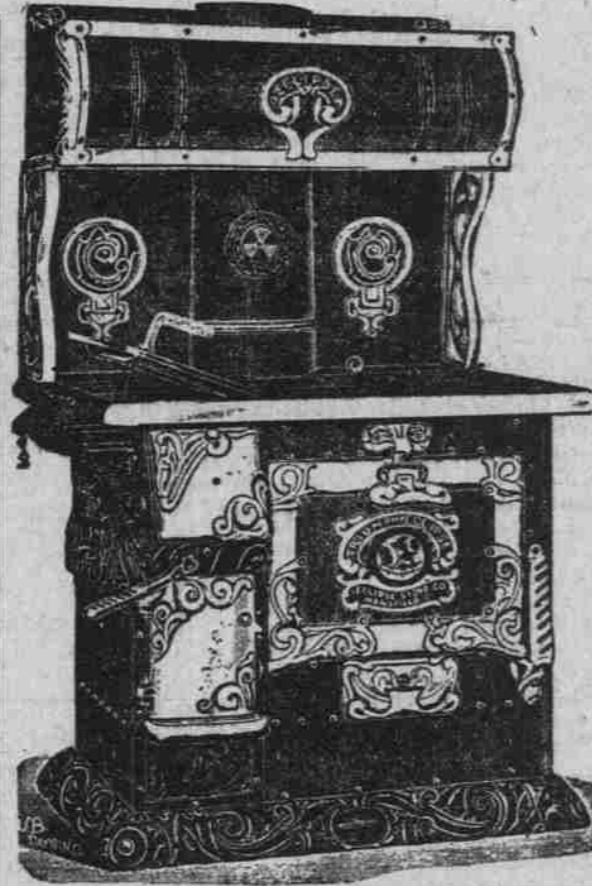

"Eclipse" Cooking Exhibit Commencing Tomorrow, Feb. 3

During the week of February third the remarkable "Eclipse" will be shown in cooking demonstration—Biscuits and coffee will be served during the day, and lasting throughout the week. We urge the presence of all ladies at some time—not to buy—but to afford us the opportunity of convincing every mind of the truth, the absolute superiority of "Eclipse" ranges over all others.

The Highest Attribute That Can Be Paid to Any Range Is to Compare it Favorably With the "Eclipse"

15 YEARS OF GUARANTEE, SERVICE AND SATISFACTION

It's been a long time since this pencil eulogized the merits of the "Eclipse." Holiday time and January Clearances have filled the air with their calls, and not a word regarding this greatest Range. But now with nothing more on our minds than the steady trend of business, we can indulge in this celebration—this cooking manifestation of "Eclipse" supremacy. We'll have a royal time from morning until night, serving biscuits cooked in record time, and coffee with the spice and flavor of perfection. We've placed one of these expert "Eclipse" Ranges right in the window, (First street entrance) and from here we will serve to the tables placed near the entrance. We will drown every doubt that ever existed in any mind as to which range is the RANGE FOR YOU.

There are over 15,000 "Eclipse" Steel Ranges in the homes of Portland. Doesn't this mean something more than Range utility? It must mean RANGE SUPREMACY.

Let us place an "Eclipse" in your kitchen. Let us guarantee you everlasting satisfaction.

"Eclipse" Heaters cost no more, burn a great deal less fuel, and heat more room in less time than ordinary stoves.
