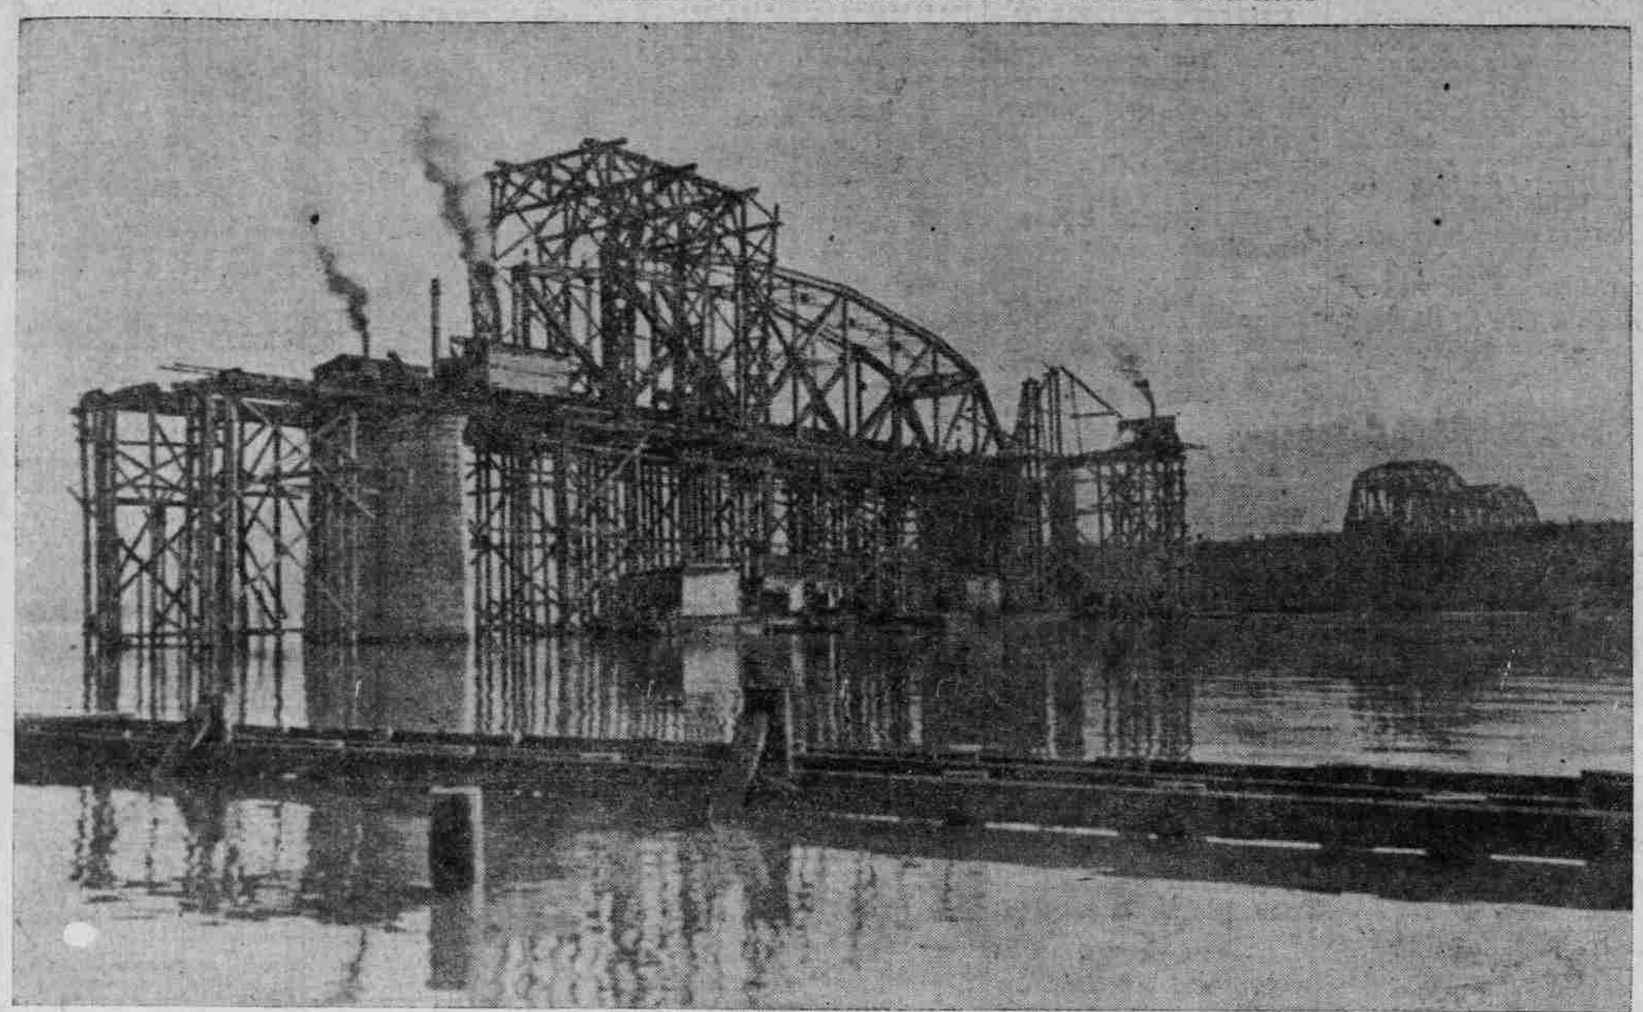
PROGRESS ON WILLAMETTE RIVER BRIDGE ON THE NORTH BANK ROAD



WORKMEN ARE NOW BUILDING THIRD SPAN OF STRUCTURE THAT WILL BE COMPLETED IN EARLY SUMMER.

The work of erecting the steel superstructure on the bridge now being built across the Willamette River below the city for the Spokane, Portland and Seattle Railway is going ahead rapidly. Two spans on the west end of the bridge have been placed in position and workmen are now building the span at the east end of the bridge. As soon as this is completed, the draw span, the longest in the structure, will be put up. Then remains only the approaches at each end to be placed and the track laid and the bridge will be ready for operation. It is expected that the structure will be completed for trains to cross by early Summer.

REFUSE ROADS MORE TIME

INTERSTATE COMMERCE BOARD DEAF TO PLEAS.

Argues That to Grant Extensions Would Interfere With Policy of Legislation.

WASHINGTON, March 7.—Announcement was made today of the formal decision of the Interstate Commerce Commission as to the application by railroads for an extension of time within which to comply with an act of Congress at many stations covered by the 13-hour provision and at nearly two-thirds in the aggregate of the stations on the line of the applicants to which the nine-hour provision relates. The petitions allege in some cases inability to secure the additional force required and in some cases the financial hardships which the compliance imposes. An order was entered by the Commission denying the petitions in every case.

It was held by the Commission unanimously that to grant such wholesale orders of extension would interfere in effect with the policy of the legislation in its fundamental aspects and would amount to an amendment of the law by an official body charged with its administration.

It was held further that to grant extension on account of financial distress would open the door to endless uncertainties, because there is no possible means of determining the degree of financial distress which would justify extension and, if mere financial hardship is, in the language of the law, "good cause" for postponing compliance, it was equally good cause for refusal to pass the law.

JUDGE DUNNE REFUSES

Will Not Appear in Answer to Subpena to Make Deposition.

SAN FRANCISCO, March 7.—Judge Dunne today refused to answer a subpena issued by Judge Buck to appear before Notary Public Gus Hartman and make a deposition in the suit instituted by Abraham Ruef to recover money which he says he was coerced into spending by the prosecution. Judge Dunne stated that he would not answer the court's order, but might make an affidavit of the facts wanted.

Ruef's attorneys will appear before Judge Buck Monday morning and ask for an order citing Judge Dunne and Chief of Police Biggy to show cause why they should not be punished for contempt for refusing to answer the summons.

Ask to Change Plea.

SAN FRANCISCO, March 7.—Henry Ach and Frank J. Murphy, counsel for Abraham Ruef, today filed with Superior Judge Frank H. Dunne a written motion for the withdrawal of Ruef's plea of guilty to the charge of extortion in the French restaurant cases and asking permission to substitute the plea of "not guilty."

A widow and four children survive him.

Russian Minister to China.

PEKIN, March 7.—M. Pokotiloff, Russian Minister to China, died suddenly today of heart disease.

In addition to representing the Russian government at Pekin, he was the diplomatic agent of the Russo-China Bank and an able Orientalist. Since the close of the Russo-Japanese War, he had been active in reorganizing the policy of Russia in China, and it was his influence that prevented the Russo-Chinese Bank from withdrawing from Mongolia and Manchuria. Among other things he brought about a modification of the plans of financial retrenchment in the Far East proposed by the Russian Minister of Finance, M. Kokovsoff.

ESTATE IS BUT POOR FARM

DISILLUSIONMENT AWAITS THE COUNTESS CZECHENYI.

Pictured Grandeur of Hungarian Feudal Acres Yet to Be Realized by Vanderbilt Millions.

BUDA PEST, March 7.—(Special.)—Disillusionment awaits the Countess Czechenyi. The ancestral estates of which so much has been said and of which the Countess has seen glorious pictures are indeed dismal to behold. The "estate" is a barren farm of a few acres that struggles up a desolate hillside. The "palace" is a dilapidated farmhouse. There are no telephones in the house. Electric lights are unknown on the Count's estate. The sanitation is of the middle ages.

The Countess, who was Miss Gladys Vanderbilt, has been led to believe that she was to become the mistress of a second Sutherland Castle. The Count expects, however, to make some improvements with the Vanderbilt millions.

FIRST BRETHREN CHURCH OF PORTLAND WILL BE DEDICATED THIS MORNING

FIRST BRETHREN CHURCH, (DUNKARD) KILLINGSWORTH AND BORTHWICK STREETS, NORTH ALBINA

ELDER GEORGE C. CARL PASTOR, FIRST BRETHREN CHURCH.

THE First Brethren Church, of Portland, sometimes called the Dunkard Church, at the corner of Killingsworth avenue and Borthwick street, will be dedicated this forenoon at 11 o'clock. Elder D. B. Ebby, of Sunnyside, Wash., chairman of the district mission board, will deliver the dedicatory sermon. Elder George C. Carl, the pastor, will have charge of the services. Elder D. W. Klick, who recently returned from a tour of the world, will be present and assist in the dedication. The new edifice occupies one lot and has a full basement with concrete floor and walls. The auditorium is handsomely furnished and will seat 400. The pews are made of Oregon wood. The altar was designed and partly constructed by Elder Carl. A baptismal fount of concrete is under the altar platform. Baptism is an important function with this church. Above the auditorium there are several rooms fitted up as rest and sleeping rooms. It is the purpose of the pastor and congregation to make the basement an assembly hall. The district conference will be held in the basement in July, which embraces Oregon, Washington and Idaho.

Elder Carl announces that the property is paid for with the exception of a few small bills. It is due to the energy of Elder Carl that this handsome church, costing between $5000 and $6000, has been completed. Mr. Carl came to Portland two years ago and established the Portland mission. One year ago the lot on Killingsworth avenue was secured. Elder Carl broke the ground with his own hands and cut the brush. He also did much of the concrete work.
