BREAKS AEROPLANE RECORD

Farman Goes Two and a Half Kilometers—Car Carries Two.

PARIS, March 21.—Following his record performance of yesterday in flying a mile and a half in his aeroplane, Henri Farman today made another spectacular flight at Issy, covering two and a half kilometers, a little less than two miles, in 23 minutes and 21 seconds. Later, in contrary with Leon De Lagrange, he entered the latter's aeroplane, which moved over the ground at a rate of about 20 miles an hour and then went into the air, making a short, but highly successful flight. This is the first time that an aeroplane carrying two persons has made a successful flight, and the aeroplane was cheered by thousands of spectators who had gathered. These accomplishments of yesterday and today were hailed with delight, as they are considered as having demonstrated that aerial navigation can be definitely solved. It is believed now that only an improved motor is needed to ensure long flights of the aeroplane.

Other Racing Results.

NEW ORLEANS, March 21.—The same horses which were defeated with ease by Meelick in last Saturday's Derby, today ran Meelick off his feet and beat him by several lengths in the City Park Derby, \$10,000 guaranteed. Angulus won, with Chepultepec second and Meelick third. Philadelphia was the only other horse in the race. The distance was one mile and a quarter and the time, 2:08 3/4, set a new track record.

Chepultepec made the pace until the stretch with Meelick hanging on two lengths back and failing to respond to the persuasion of Jockey Dugan, who vainly tried to work Meelick forward. Angulus stayed just behind Meelick until the stretch, when he moved up with a rush, passing Chepultepec and taking the lead at the eighth pole, winning by four lengths, with Chepultepec about two lengths in front of Meelick.

Meelick was a 1 to 2 favorite and was backed generously by a large crowd. Result: Four and One-Half Furlongs—Intervene won, Nigger Baby second, Brougham third, time, 34.45.
