That home has been completed recently, and there she, with all the Stevenson treasure, will journey as soon as the necessary arrangements can be made.

The breaking up and the sale of Mrs. Robert Louis Stevenson's home here will be heard of with regret by many persons, for the house is famous as the residence of the great novelist, and all tourists go to the Hyde-Street Hill to see the place where Stevenson's widow lived. The house is one of the most artistic in the city.
