

JUST 1/2 PRICE for STUNNING SPRING SUITS

The Olds, Wortman & King Style Salons' Great Offer OVER A THOUSAND Suits at Half-Price

Look at the garments illustrated here and gather therefrom a hint of the charming styles shown. View the big window display and gain an idea of the assortments. But if you would realize the wonderful superiority of the values here offered, you must see the Suits themselves, see what splendid materials they're constructed from, what clever styles are featured and how well they are made.

Our Suit Buyer, who is now in the Eastern markets, picked up these at half the regular wholesale prices. Two large manufacturing establishments, whose names are famous for style and quality, had the Suits on

hand and wanted to dispose of them quickly for ready cash. We made a SPOT CASH offer for the entire surplus lot of both houses, and now we offer to the more particular women a sale that will stand forth as the greatest in the garment history of Portland.

Over a thousand of the most desirable Suits for street or semi-dress wear. No other mercantile establishment in the Northwest could handle such a quantity. Models in which the most charming whims of fashion are mirrored. Suits designed by the style setters of the country's garment field. Plain tailored models or elaborately decorated affairs that will shine resplendent at any afternoon dress function. The materials are Wool Rajahs, Serges, Cheviots, Broadclothes, Herringbones and Fancy Suitings. There are plain colors or fancy effects in abundance. The prevailing colors are: brown, navy, copenhagen and gray. These shades come in many variations and combinations.
