To exhaust every effort to secure to every person, in public or private life, fair and impartial treatment and the protection guaranteed by the laws and constitution of this state, and to secure to the public the public service to which it is entitled. 2. To enforce the Sunday-closing laws. 3. To enforce the gambling laws. 4. To do my best to convict every person practicing medicine or surgery in an unlawful manner. 5. To enforce the laws we have for the protection of minors, both boys and girls. 6. To enforce the laws of this state relating to labor. 7. To enforce the laws generally. 8. To carefully investigate grafting and bribery rumors, and if evidence of grafting or bribery sufficient to secure and sustain convictions can be found, to prosecute the offenders. I am not pledged, bound or promised to any faction, nor will I become so in any matter concerned with my office or official career.

DR. J. C. TWITCHELL

REPUBLICAN CANDIDATE FOR CORONER

I am not disposed to accept the offer of scores of my friends to appear in public print indorsing my candidacy. I am depending upon the support of thousands of the intelligent voters of this county, whose suffrages I have been promised. They cannot help indorsing my platform to establish a public morgue, which will save thousands of dollars for the people. The vast amount of money being spent by undertakers in support of other candidates is sufficient evidence to prove my statement that the office of Coroner is used for private interests.
