

PRACTICE OF DENTISTRY

HAS PROGRESSED WITH LEAPS AND BOUNDS

DR. B. E. WRIGHT

A few wideawake, progressive dentists in different cities have kept in the lead by possessing the necessary skill, enterprise and resources to adopt and apply all that is best in modern dental practice.

Men with less ambition and skill are satisfied to confine their efforts along the lines taught at schools, and as a natural consequence, remain in a rut.

We offer you advanced dentistry, which includes every discovery of value up to the minute, and we possess the necessary skill to apply every advance made by the profession.

Crown and Bridge Work, Gold and Porcelain Fillings, perfect-fitting Plates, Painless Extractions, and all other work, we guarantee as the best of its kind obtainable. Prices moderate.

During Summer, this office will close at 6 P. M.

PRIZES FOR PARADE

East Side Children's Pageant
Rose Festival Feature.

OFFER BY BUSINESS CLUB

Organization Will Pay Three Cash
Premiums for Best Decorated Ve-
hicles With Child Drivers—En-
tries Are Being Received.

At a meeting of the East Side Business Men's Club yesterday, it was decided to offer for the children's parade on the East Side during the Rose Festival, a prize of \$10 for the best decorated pony cart driven by a child of less than 15 years of age, another of \$10 is offered for the best decorated dog-cart driven by a child of 15, and a prize of \$5 for the best decorated bicycle ridden by a child under 15. All desiring to compete should send their names and addresses by May 25, to C. A. Bigelow, president of the Business Men's Club, care Markell & Co., Union avenue and East Morrison street.

The first entry for the dog-cart prize was received from Oregon City and is a 4-year-old boy, who will drive a dog-cart.

Children from the North Central, Brooklyn, Stephens' Addition and Clinton Kelly schools will meet in the Ladd field, south of Hawthorne avenue, Tuesdays, Thursdays and Saturdays at 4 P. M. to drill for the parade. Mount Tabor, Sunnyside and Montavilla children, and also children from the Vernon, Williams Avenue, Highland and Thompson will also meet together according to arrangements yet to be made. Parents are requested to assist in this matter as far as they can do so. Every East Side parent who is sure that the children under his family tree are the smartest, prettiest, cutest children on earth has a glorious chance to prove it to the world. This year the

East Side celebration of the Rose Festival is to be noteworthy. Although the children's parade prizes have just been announced, it is certain that the East Side will do itself proud, and that a most unique parade will be the result is evident.

If you are an East Side father and there is a goat in the neighborhood, a pony, a good-natured dog, a sheep, even a prize rooster that can be made to pull anything on wheels, runners or a combination of the two, there is a chance for you to make that kid of yours the happiest in the town. The committee wants novel vehicles drawn by unusual combinations of beasts, and it also wants decorated vehicles, decorated dog-carts, decorated pony carts, and none but children under 15 years need apply.

A parade of this character has never been attempted in the city or the Northwest before, but the Business Men believe that the mere announcement of their plans will so stir the patriotism of East Side parents that entire success will be guaranteed. The East Side has the children, thousands on thousands of them; it also has the roses in its lots, and this, mixed with several hundred pounds pressure to the square inch of home loyalty, is what the business men are depending on.

This year the children's parade, the chief feature of last year's carnival, will be given only on the East Side, by East Side children. There it is hoped to have 2000 children in line, and with the co-operation of the East Side parents this can easily be attained. During the coming week Professor Ringler and his assistant, Mr. Larimore of the Y. M. C. A., will visit the various East Side schools and enroll children for the parade; a word to the children at home will enable the East Side to make its first public parade the best the city has witnessed.

The celebrated Palmer Hammocks which we sell have been awarded 20 medals at the different fairs and exhibitions where they have been exhibited. They are made in a variety of patterns, designs, weaves and colors, which can be found in no other line. The theory upon which these Hammocks are made gives greater durability and strength, with the same amount of material, than any other method. The cords at both head and foot of the hammock are carried down through the spreader, thus strengthening the edges of the hammock, which usually give way first. We show a complete line from \$1.25 to \$6.00.

The Jeweler and Optician

LEFFERTS, Publishers. ONCE A WEEK. 272 WASHINGTON STREET.

We have cut glass at cut prices that will appeal to you. Come in.

We take anything that ever was jewelry and make new jewelry of it.

Don't forget that the pearl or agate is the June birth month stone.

Don't forget that graduation presents will have to be selected in the near future.

Don't forget the advantages of having your old jewelry repaired now. We make new things out of old.

It doesn't take a fortune to buy a diamond, but a diamond may be the beginning of a fortune for you.

It appears that the practice of making graduation gifts is going to be more general this year than ever before.

If a man belongs to a lodge he appreciates a lodge emblem as a birthday gift. We have beautiful elk teeth mounted.

We buy old gold and silver. If you would rather have the money, we pay the cash—you can take new goods.

Those dainty things in hand-painted china which you see displayed in our store may be had at unusually low prices.

"Take time by the forelock" is an old saw. If you take your time

from a timepiece selected from our stock you will always be on time.

The watch that is not overhauled and put in good condition regularly will not last much more than half the time that it otherwise would.

Birthdays are occurring all the time. We are constantly prepared. A little remembrance from the jewelry store will outlive many years.

By the way, did you notice whether Secretary Taft wears a diamond? We would really like to know. Who will be the first to tell us?

Don't forget that we have the official Rose Carnival fob—neat, attractive and original design. Find one back East to your friends.

It is our intention to close out our line of plated goods. That means we are more desirous to get rid of what is left than to make a profit on the sales.

Even if the roses don't bloom in time for the Carnival, we have roses that are just as pretty as the real bloom and much more lasting. (See them in our window.)

It is a long time till Christmas, but June weddings are coming and some of your friends will be the contracting party. We have hundreds of odd and original conceits suitable for such events.

We would like to know whether readers of The Jeweler and Op-

tionian are pleased with the publication—whether they have any suggestions to make. Contributions solicited.

We sell a good man's watch for \$6, and a good lady's watch for \$10. These are really good watches. Of course, they are not the best. We have the best at the lowest possible prices.

Our watch-repairing department is in charge of an expert, and his many years of experience, particularly on high-grade watches, makes his services doubly valuable. The Leffert guarantee back of all his work.

We are still anxious to have you utilize our windows. We are doing the very best we know how to do. We want your suggestions. It is good for a town to have good display windows in the stores. We appeal to your home pride.

Mr. Leffert is particular to have every pair of glasses just right, entirely satisfactory. He takes pride in his work. He has made this work a life study and aims at the perfect. Those who have enjoyed his services know their worth.

We have a 14-karat perfect blue-white diamond in our immense stock of gems, which we will offer this week only, for \$75. This is a sweeping reduction in price and the stone cannot be duplicated elsewhere for a much higher price.

These are the prices at which we are selling diamonds: \$25, \$30, \$35, \$40, \$45, \$50, \$55, \$60, \$65, \$70, \$75, \$80, \$85, \$90, \$95, \$100, \$105, \$110, \$115, \$120, \$125, \$130, \$135, \$140, \$145, \$150, \$155, \$160, \$165, \$170, \$175, \$180, \$185, \$190, \$195, \$200, \$205, \$210, \$215, \$220, \$225, \$230, \$235, \$240, \$245, \$250, \$255, \$260, \$265, \$270, \$275, \$280, \$285, \$290, \$295, \$300, \$305, \$310, \$315, \$320, \$325, \$330, \$335, \$340, \$345, \$350, \$355, \$360, \$365, \$370, \$375, \$380, \$385, \$390, \$395, \$400, \$405, \$410, \$415, \$420, \$425, \$430, \$435, \$440, \$445, \$450, \$455, \$460, \$465, \$470, \$475, \$480, \$485, \$490, \$495, \$500, \$505, \$510, \$515, \$520, \$525, \$530, \$535, \$540, \$545, \$550, \$555, \$560, \$565, \$570, \$575, \$580, \$585, \$590, \$595, \$600, \$605, \$610, \$615, \$620, \$625, \$630, \$635, \$640, \$645, \$650, \$655, \$660, \$665, \$670, \$675, \$680, \$685, \$690, \$695, \$700, \$705, \$710, \$715, \$720, \$725, \$730, \$735, \$740, \$745, \$750, \$755, \$760, \$765, \$770, \$775, \$780, \$785, \$790, \$795, \$800, \$805, \$810, \$815, \$820, \$825, \$830, \$835, \$840, \$845, \$850, \$855, \$860, \$865, \$870, \$875, \$880, \$885, \$890, \$895, \$900, \$905, \$910, \$915, \$920, \$925, \$930, \$935, \$940, \$945, \$950, \$955, \$960, \$965, \$970, \$975, \$980, \$985, \$990, \$995, \$1000.
