

OREGON PICKED FOR THE WINNER

Large Representation Coming for P. N. A. Track Meet on June 6.

STRONG ENTRIES IN SPRINT

Huston, Martin, Gearhart and Smithson All Will Enter, Insuring Exciting Race—Well-Known Athletes From Coast Coming.

The University of Oregon is considered the probable winner of the coming track meet to be held on Multnomah Field June 6. According to local track experts the varsity will take first place, the Olympic Club of San Francisco second, and Multnomah Club third. Multnomah will pin her faith to Forrest C. Smithson, but he alone cannot hope to bring victory to the crimson and white.

Entries are coming in from all parts of the country and, from present indications, the coming meet will be the greatest ever held on the Coast. President Morgan, of the games committee, has received entries from a number of High Schools, including the Tacoma High School, Washington High School of Seattle, Seaside High School, Eugene, The Dalles and a number of others, while a large number who have not yet entered a team have announced their intention of being present.

Large Representation Coming.

All of the universities and colleges of the Northwest will be represented at the meet, including Idaho, Whitman and Washington State College. The Spokane Athletic Club will not send a team this year, as they say they are unable to meet the expense. Seattle Athletic Club will be on hand with the best athletes that can be produced in the Evergreen State, and the University of Washington will enter an entirely separate team.

Huston, of Oregon will make a strong effort to take first place in the 100-yard dash and from the flashes of speed he has been showing in the recent meets it is more than probable that he will succeed. Against him will be pitted Martin, of Whitman; Gearhart, of Olympic, and Smithson, of Multnomah. This race promises to be the prettiest and one of the fastest ever held in the Northwest. The local clubmen expect Smithson to win first place, but the University authorities are predicting that Huston will defeat the fleet-footed Smithson with ease. Martin, of Whitman, has given out that he expects to win from both Smithson and Huston, regardless of the fact that he was defeated by Huston in the recent Oregon-Whitman meet. Gearhart was defeated by Smithson in a hot race in the recent Olympic Club tryouts in California, yet he expects to be able to win from the Oregonian on the new Multnomah track.

Half-Mile to Be Close.

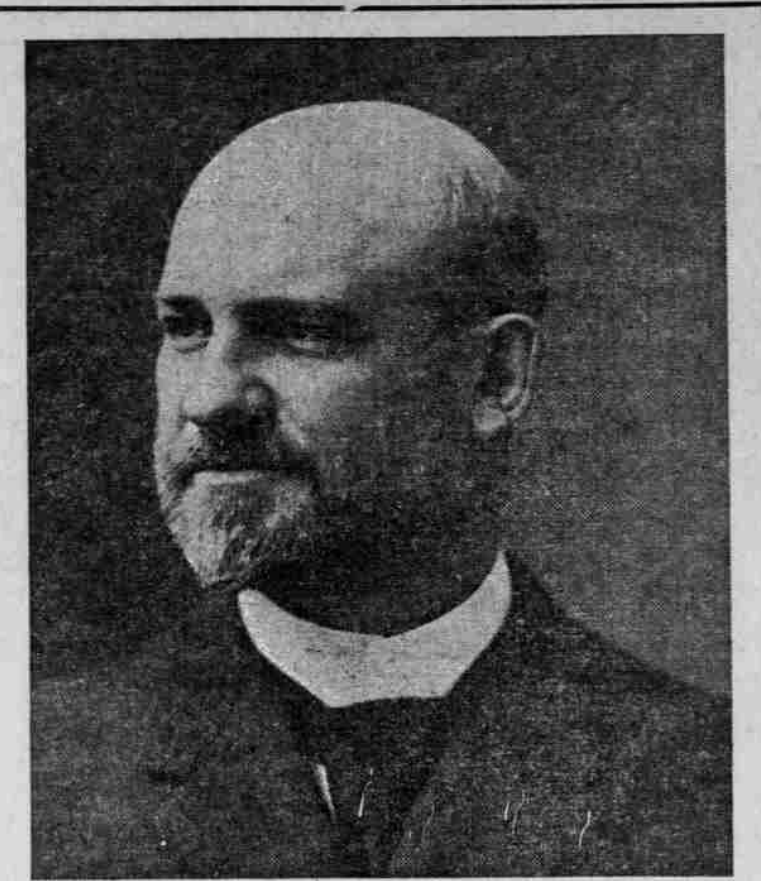

Another race that is causing considerable speculation is the half-mile run between Edmundson, of Idaho, and Garner, of Olympic. Garner is considered one of the greatest distance runners of the present day, although he was recently defeated by Edmundson. Garner, however, says that he was not in the best of condition when he met Edmundson here June 5. A dispatch from Eugene yesterday says that the athletic committee of the University of Oregon has authorized Manager O. R. Bean to take a team of eight to the P. N. A. Championship meet June 6, the last day of the Rose Festival. Trainer "Bill" Hayward will not select the men until after the Decoration day meet at Seattle, but such men as Huston, Kuykendall, Moon, McIntyre and several others are sure of a chance to represent Oregon. It is the plan of the management and Trainer Hayward to take only the star athletes of the University to the Eugene meet, as people are freely predicting that Oregon will land among the leaders.

Death of P. W. Stepp.
P. W. Stepp, who for the past 19 years has conducted the German Kitchen on Ankeny street, died at his home, 111 East Twenty-eighth street, at 5 o'clock yesterday morning, from dropsy. The deceased was one of the best-known caterers in Portland, and to his many patrons and friends was known familiarly as "Papa" Stepp. He is survived by his widow and two sons, Adolph, aged 19, and William, aged 17. The funeral will be held from the undertaking establishment of E. E. Ericson at Twelfth and Alder streets, at 2 o'clock this afternoon, and the services will be under the auspices of the Ancient Order of United Workmen, of which organization Mr. Stepp was an active member.

BRADWICK IS NOT GUILTY

Arrest on Assault Charge Shown to Be Mistake.

When the case of Albert Bradwick came up before Judge Cameron, in the Municipal Court, yesterday morning, it was quickly ascertained that a mistake had been made in his arrest, on a charge of assault, preferred by Ellsworth Pickel. Friday night Pickel, or some one representing himself as

ROBERT G. MORROW
REPUBLICAN CANDIDATE CIRCUIT JUDGE
DEPARTMENT NO. 2
NO. 32

Pickel, swore to a complaint charging Bradwick with an assault on Louise Pickel, and Patrolman M. F. Sloan was given the warrant to serve, with the result that Bradwick, who is 70 years of age, was placed under arrest. Yesterday no complaining witnesses appeared in court, and on investigating, it was plainly evident that Bradwick was not guilty. The attorney for the aged man called up Ellsworth Pickel on the telephone and was informed that Pickel knew nothing of the charge or the complaint. Officer Sloan was not in court, and on motion of Deputy City Attorney Tomlinson, Bradwick was discharged.

Bradwick is a member of St. Stephen's Church, and a reputable citizen. His friends are much incensed over his arrest on a groundless charge. He is a man of gentle disposition and is over 70 years old. He raises chickens for a living, and ekes out his income by peddling.

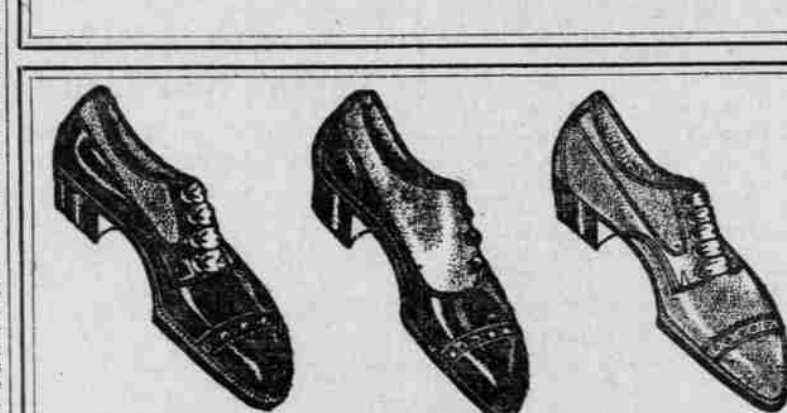

Herman Wolf, who was arrested for assaulting a North End pawnbroker, pleaded not guilty, but the evidence was clear enough to convict, and he was fined \$15. E. Nogall, a Japanese cook in a restaurant, was fined \$3 for throwing broken glass in the street.

S. N. Fenne, a habitual drunkard, who some time ago attempted to commit suicide by cutting his throat, was sentenced to serve 30 days in jail.

Ed Nelms and M. Graham, both charged with vagrancy, were given the option of leaving the city or serving terms at Kelly's Butte. They chose the former course.

L. M. Vinberg, another young man charged with vagrancy, was represented by an attorney, and succeeded in having his trial postponed to May 26. Vinberg is alleged to be a "capper" for a North End pawnshop, and his methods of enticing customers were such as to attract the notice of the police. As there is no statute covering cases of this kind, he was charged with vagrancy. He was released from custody on \$200 bonds, furnished by Sam Wolf.
