Race for 2:14 Pacers Alone Attracts 31 Entries, and List for Remainder of Programme Is Very Large.

"Portland in September" is the slogan of the harness horsemen of the West. The harness races to be given here at that time in connection with the Pacific National Livestock Show of the Portland Country Club and Livestock Association are responsible for Inis interest. The 1908 fairs of the North Pacific Fair Association, Portland being a member, lose little by land being a member, lose little by comparison with the grand circuit Liberal purses are offered all along the line and the harness horsenion have responded in kind with their ca-tries. Leading stables of Oregon, Washington, Idaho and California will be well represented in the Portland meeting. Three stables from Mon-tana, two from Denver, four from Al-berta and Saskatchewan and several from British Columbia, complete the list. The list of entries was completed list. list. The list of entries was completed yesterday. The Open River Purse, a 2:14 pace, value \$1000, is the first number on Portland's programme, in which the record-breaking number of 31 pacers will contest. The Country Club Purse, for 2:13 trotters, value \$2500, has brought out 29 entries. Another \$2530 purse, the Rose City, for 2:09 pacers, is close up with 20 entries. Even the colt stakes have filled well. A more classy lot of horses never met on a Western track. The sport promised will be of the highest type. M. D. Wisdom is fresh from his travels in the interest of the North Pacific Fair Association, returning re-cently from Petaluma, Cal. Mr. Wis-dom is guide, philosopher and friend to the harness fraternity. WEST PORTLAND WINNER

DEFEATS VANCOUVER IN FAIR-LY WELL-PLAYED GAME.

Pioncers Handicapped by Loss of Several Men-Olney Pitches for Frakes Against Teammates.

The West Portland team of the Tri-City League took the Vancouver crip-ples into camp yesterday in a fairly-well played game at Vancouver. The Pio-neers were hundicapped by the absence of several of their regular players from the line-up, while the Milliners used the former Vancouver twirler, Oiney, against his former team-mates. Olney had one of his good days and Vancouver was un-able to find him consecutively. The field-ing plays of Johnson, Oriet and Day were the features. The score follows: WEST SIDE.
