FAST HORSES FOR STATE FAIR RACES

List of Entries for Harness Events Completed by Secretary Wisdom.

BIG PURSES ARE AT STAKE

Great Fields Are Listed for 2:08 Pace and 2:14 Trot, in Each of Which $5000 Will Be Reward of Winners.

Entries for the harness races to be run at Salem during the Oregon State Fair, September 14 to 19, are not only more numerous, but also include more fast horses than have been listed for any previous season. Although entries for the early closing events were received only to May 25, they were so numerous that their classification was just completed yesterday by M. D. Wisdom, secretary of the North Pacific Fair Circuit. With the classy fields that are announced to compete for the many large purses, followers of horse-racing in Oregon are certain to witness a great meeting at Salem in addition to the fine races that will be run at Portland, September 21 to 26, the entries for which were published last week.

Although there are many good events on the Salem programme, chief interest, of course, centers in the two $5000 purses. There are large fields for both of these, and for one more than 30 horses are listed, the largest number ever entered for a single event at the State Fair. Many of the entries are from California, and members of the association are pleased that so many of the southern owners are bringing their stables to Oregon instead of taking them to the Eastern tracks.

The speed programme and the list of entries for the early-closing events follow:

Monday, September 14—Capitol City Purse—2:12 pacers, $1000; trotting, 2:25 class, $800 (late event).

Tuesday, September 15—Pacing, 2:20 class, $800 (late event); Farmers' Purse, 2:16 trotters, $1000; Illihee Purse, two-year-old pacers, $400.

Wednesday, September 16—Oregon Purse, two-year-old trotters, $400; Inland Empire Purse, three-year-old trotters, $500; Greater Salem Purse, 2:08 pacers, $5000.

Thursday, September 17—Mountain and Valley Purse, three-year-old pacers, $500; pacing, 2:16 class, $800 (late event); Lewis and Clark Purse, 2:14 trotters, $5000.

Friday, September 18—Pacing, consolation to 2:08 class, $1000, (late event); Rapid Transit Purse, 2:05 pacers, $1000; trotting, 2:19 class, $800 (late event).

Saturday, September 19—Rural Spirit Purse, 2:09 trotters, $1000; trotting, consolation to 2:14 class, $1000 (late event).

Lewis and Clark Purse, 2:14 Trot, $5000.

SHAH FEARS ASSASSINS

Flees to His Summer Palace With Big Retinue.

ST. PETERSBURG, June 6.—A dispatch received from Teheran says that reports that an attack against the Shah has been planned caused His Majesty to go to the Bageshakh Palace, a Summer residence outside the city, accompanied by a numerous retinue. There is considerable excitement at Teheran on account of the uncertainty of the political situation. Pending a definite reorganization of the cabinet, the ministers at present are acting as interim cabinet.

Reconstruct Persian Cabinet.

TEHERAN, June 6. — The Persian Cabinet has definitely been reconstructed under the premiership of Mushir-Es-Sultaneh. It is hoped that this will lead to a subsidence of the political unrest in Persia.

Czar Will Start Today.

ST. PETERSBURG, June 6.—Emperor Nicholas and other members of the imperial family, accompanied by a numerous suite, will leave Peterhof at 4 o'clock tomorrow afternoon for Reval to meet and welcome King Edward and Queen Alexandra. The Russian imperial yachts, Standard and Polar Star, escorted by the cruiser Almaze and four torpedo boats, will arrive at Reval on the morning of June 8.

TWO VESSELS FOR OLD CROP WHEAT

Emanuele Accame and Crown of India Chartered by Kerr, Gifford & Co.

BOTH SHIPS ARE IN PORT

Craft Have Been on the Disengaged List for Some Time—Rate Not Public—Charters Looking Up. News of the Waterfront.

Kerr, Gifford & Co. have chartered the Italian ship Emanuel Accame and the British bark Crown of India to transport old-crop grain from Portland to the United Kingdom for orders. The rate for the outward voyage has not been made public, but it is generally supposed to be 27s and 6d. The vessels will prepare for the reception of cargo immediately. They are both spot ships, and have been on the disengaged list for some time.

The Italian ship arrived in the river May 19 from Hamburg with general cargo. She had been previously chartered, but missed her canceling date. At present she is moored at Mersey dock. The Crown of India came to Portland from Antwerp. She brought a cement cargo, and after discharging dropped down to the drydock and tied up, awaiting a fixture.

The taking of the two vessels leaves only five disengaged craft in the harbor. They are the Anacios, Brodick Castle, Donna Francesca, Largiemore and Leyland Brothers. The Ancaois has been practically fixed for lumber, but a dispute over the number of lay days has held up a final settlement.

Charters for both old and new-crop loading have been announced at better than an ordinary gate during the past four weeks. Old-crop shipments are safe, as there is a sufficient amount of disengaged tonnage in port to supply the demand. With prospects for a record-breaking crop, exporters are taking up a few ships at union rates in order to be on the safe side in case tonnage gets scarce and rates soar up to the vicinity of 40s, as was the case last season.

Kerr, Gifford & Co. have also chartered two vessels for outward loading of new-crop grain. They are the French barks Sainte Anne and the Le Pillier. The former is close in to Newcastle, N. S. W., and the latter is outward bound from Europe to Tasmania.

W. K. SCOTT IS PRESENTED WITH LOVING CUP.

As a token of the esteem in which he is held by his fellow-employes, W. K. Scott, for 21 years in the service of Balfour, Guthrie & Company, and for a long time superintendent of the Oceanic Dock, was presented with a loving cup Wednesday afternoon. It is a beautiful design, 18 inches high. Mr. Scott leaves to engage in business, and he will be a member of the new firm of McCabe & Scott Stevedoring Company, of Portland.

James Murray Leaves for Scotland.

James Murray, formerly superintendent of stevedores for the San Francisco & Portland Steamship Company and for the Portland & Asiatic Steamship Company, left yesterday for Scotland, where he will come into possession of a snug fortune which has been left him. Mr. Murray was accompanied by Mrs. Murray, and the couple will spend several months in the land of the heather before returning to Portland. Mr. Murray is an old-time steamship master.

Rose City Takes 360 Passengers.

The steamship Rose City sailed for San Francisco yesterday morning with a full cargo of freight and 360 passengers. This is the heaviest list taken south by any of the regular liners since the Lewis and Clark Fair. A large number of the passengers were people who had come north to visit in Portland during the Rose Festival.

Sherman En Route to Portland.

Advices received by the Merchants Exchange yesterday from Honolulu announce the arrival at the Island port of the United States transport Sherman, en route from Manila to the Columbia River with the First Regiment of Infantry on board. The Sherman will reach Portland about 10 days after leaving Honolulu.

DR. W. F. BOYAKIN DEAD

Famous Centenarian Passes Away at Marysville, Kan.

MARYSVILLE, Kan., June 6.—Dr. William F. Boyakin, the famous centenarian, died last night in his 102d year. He was reared in Tennessee, and General Andrew Jackson gave him a college education and assisted him in the study of law. He afterward took up medicine, practiced until 1834, and then became a Baptist minister. In 1857 he went to Oregon Territory and campaigned in favor of statehood. Returning to Belleville, Ill., he purchased a newspaper, supported Stephen A. Douglas and reported the Lincoln-Douglas debate. When Fort Sumpter was fired on he entered the Union Army as chaplain of the Thirtieth Illinois Infantry, afterward became a member of the staff of General Grant and was with him at Fort Donelson, Shiloh, Iuka, Corinth, Vicksburg and Chattanooga. In 1864, at the special request of President Lincoln, he went to Oregon and campaigned for the Republican party. Dr. Boyakin had lived near Marysville 39 years. On his 100th birthday he made a memorial address at Marysville that attracted wide attention.

WE CURE MEN

Our Cures Are Thorough and Permanent

NO EXPERIMENTS—NO FAILURES—QUICK CURES

OUR METHODS are up to date, and are indorsed by the highest medical authorities of Europe and America. Hence our success in the treatment of men's diseases.

MEN, if you are suffering from any disease or weakness, we want you to know you have a friend in us. We want you to feel that you can come to us, with the troubles you'd tell to your closest friend—or that you would even hesitate to tell him. Our relations will be as **PRIVATE** and **CONFIDENTIAL** as they have been with multitudes of others who have received our assistance. Be careful in selecting a doctor to treat you, for it all depends upon the physician you go to as to whether you get the cure you seek. **WE FULFILL ALL OUR PROMISES** and never hold out false hope.

Are You a Perfect Man With Plenty of Life and Energy and Vigor of Youth?

To be strong and manly is the aim of every man, and yet how many we find who are wasting the vitality and strength which Nature gives them. Instead of developing into the strong, vigorous, manly young fellows that Nature intended them to be, they find themselves weak, stunted and despondent—no ambition to do anything. They struggle aimlessly along, sooner or later to become victims of that dread disease, nervous debility; their finer sensibilities blunted and their nerves shattered.

Men suffer week in and month out because they know no better. Diseases of a private nature make them backward to tell of their condition. They many times take their case to those who have not had the necessary experience to treat intelligently those ailments peculiar to the male sex. That is where we have the advantage. We have made a study of men's diseases for years. It is our life work—our specialty. We can cure you.

We have every appliance needed to aid, in treating complicated troubles.

A few days' treatment will prove to you the success of our methods.

MEN, ACT NOW! DELAY IS DANGEROUS—WE CURE

Nervous Debility, Vital Weakness, Enlarged Veins, Sores, Swollen Glands, Kidney, Bladder and Rectal Diseases, Blood and Skin Diseases, Ulcers, Painful Swellings, Loss of Strength and Vitality, Varicocele, Hydrocele.

Our new treatment for contracted Diseases checks burning, itching and inflammation in 24 hours; cures effected in one week.

A WORD OF WARNING TO MEN

Just before you go a line further in this announcement, stop and ask yourself as to whether YOU are following in the foolish footsteps of the man who neglects himself. Are YOU trying to cure yourself with nostrums? Are YOU looking for treatment that will not cure? If you are, it is certain that you will regret it. It is NEVER TOO LATE to get on the right path, but at the same time remember that you cannot get there too soon. The best help in the world is none too good for you; you cannot get it too quickly. We offer it to you at the lowest fees possible. Don't experiment with unreliable treatments.

Medicines furnished from our own laboratory for the convenience and privacy of our patients; from $1.50 to $6.50 a course.

CONSULTATION AND ADVICE FREE. TERMS reasonable and made to suit the convenience of the patient—our services are within the reach of every one. If you cannot CALL, write for self-examination blank and free literature. Many cases can be cured at home. OFFICE HOURS: 9 A. M. to 8 P. M., daily; Sundays, 10 to 12 A. M. only.

If you are not a perfect man—come to us. Isn't it worth the little time it will take when you are CERTAIN that you will have the benefit of HONEST, SINCERE physicians? A consultation costs you nothing EXCEPT your own time.

Our Fee $10.00

Established 29 Years in Portland
CONSULTATION FREE
We Will Treat Any Uncomplicated Ailment for $10.00.

This well-known and reliable curative institution is a permanent fixture of Portland. It has stood the test of time and will continue to stand as a Mecca of hope for afflicted men hereabouts. From time to time it has been remodeled in all its departments, which are thoroughly equipped with every scientific instrument, apparatus and device essential to our modern methods of specialty practice. Its financial responsibility is as solid as gold, while the treatment it administers, as legions of its cured patients know, is skillful, scientific and successful. We invite all afflicted men who really desire a cure to inspect our offices, and to honestly investigate us. A private consultation, a careful personal examination, together with a scientific and honest opinion of your case, will cost you nothing; and a perfect cure, if you decide to take it, will not be more than you will be willing to pay for the benefits conferred. We cure all special diseases of men.

WHY WE CURE where others fail: Our methods are up to date. We thoroughly understand our business and apply our knowledge and skill on every case we undertake. We fulfill our promises and never accept a case unless we believe we can cure it. We study the peculiar nature of every individual case and treat the causes, not symptoms. We teach our patients how to help get well—what to eat and drink during the course of treatment and what to avoid. As to terms: Our large practice enables us to cure for less money than the average so-called **specialists**—and you see the results before you are required to pay us. Honest, conscientious work speaks for itself. Pretenders, jealous of our success, try to belittle us **because our fee is small**, but intelligent men are not influenced by their arguments. We ask any man suffering from any disease we treat to call and see us. Many cases supposedly incurable are often the result of poor treatment, and the case is cured when methods such as we employ are directed toward the cause, and with care and proper attention to your case now your health may be prolonged indefinitely. This alone should be incentive enough to induce you to try **once more**, no matter who has failed to cure you in the past.

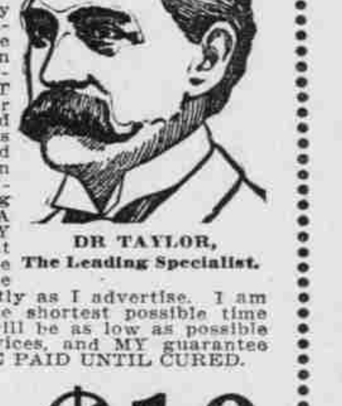
MEN

I Never Disappoint My Patients

When I Promise a Cure You May Rely Upon It That I Will Cure You



DR TAYLOR,
The Leading Specialist.

The fear that you could not be cured may have deterred you from taking honest treatment. Or you may have been one of the unfortunates who have been treated in vain by inexperienced physicians. FREE TREATMENT, FREE TRIAL SAMPLES, PATENT MEDICINES, ELECTRIC BELTS and other similar devices. Such treatments cannot and never will cure you, nor will these maladies cure themselves. When I offer you a cure and am willing to risk my professional reputation in curing you, and have such FAITH AND CONFIDENCE in my continued success in treating these diseases that I WILL NOT DEMAND A DOLLAR UNLESS YOU ARE PERMANENTLY CURED and satisfied with a lasting cure, what fairer business proposition can be offered to the sick and afflicted? This should convince the skeptical, as I mean what I say and do exactly as I advertise. I am sure of SAFE AND POSITIVE CURES in the shortest possible time without injurious after-effects. My charges will be as low as possible for conscientious, skillful and successful services, and MY guarantee is simple and true. NOT A DOLLAR NEED BE PAID UNTIL CURED.

My Fee for Thorough Cure Is Only $10

IN ANY SIMPLE DISORDER, PAY WHEN CURED

No man could make you a fairer or more straightforward proposition than that. I make this offer because I KNOW that my methods will cure any case that I accept for treatment. Under no circumstances do I ever attempt to treat incurable cases. If I attempt to treat your case, therefore, depend upon it that I will cure you.

If afflicted you can depend upon it that the service I offer you is the service you need, and is service such as can be rendered by no other physician. Maybe you are one of the large number of men who think their case is incurable. Perhaps your own doctor has told you you could not be cured; but remember that is only because he did not understand your disorder and could not cure you. It did not mean that you could not get help from expert or experienced specialists.

I Cure to Stay Cured

By a method that involves no painful processes. No other physician employs a like method, and so thorough is my work that there need not be the slightest fear of a relapse into the old conditions. It is not a question of whether you can be cured, but whether you will be cured. Don't wait until it is too late. My method is perfect and quick. The cure is absolutely certain. I especially solicit those cases where many so-called treatments have failed—or where money has been wasted on electric belts and other appliances.

I Cure "Weakness"

"Weakness" in all its phases and in practically every case that comes to me for treatment is merely a symptom resulting from a state of chronic inflammation in the prostate gland. The inflammation may be a lingering result of some contracted disease, or may have been brought on by early dissipation, etc. In by far the greater number of cases the general health of the patient is perfect, there being no lack of either physical or nervous energy. No stimulants or tonics are needed, and if employed would only result in temporary excitement of the functions and positive injury to the tender and already disordered prostate. My treatment is a local one entirely. It removes all inflammation, swelling and tenderness from the prostate gland, establishes normal circulation throughout the parts, and restores permanently and completely all natural functions.

I Cure All the Diseases of Men

Such as lost vigor, specific blood poison, organic weakness, varicocele, stricture, hydrocele, piles and reflex ailments. Those suffering from varicocele, hydrocele, blood poison, or any other disease tending to destroy and disfigure and to render happiness impossible, are urged to call upon me without delay. Those wasting valuable time, dissipating their money and aggraviting their ailment by submitting to indirect, ineffectual, unscientific treatment that never did and never can cure, are invited to visit me and investigate my successful system. I positively guarantee results in all curable cases, and frankly refuse to accept any other cases, if for any reason it is too late to guarantee a cure.

M., Sundays from 10 to 1.
